Saint Mary Catholic School is also a member of the National Catholic Education Association.

### **NON-DISCRIMINATION POLICY**

It is the policy of the Diocese of Pensacola-Tallahassee to admit students of any race, disability, color, sex, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. They do not discriminate on the basis of race, disability, color, sex, national and ethnic origin in administration of educational policies, and athletic and other school administer programs. Students are allowed to enroll in diocesan schools regardless of their immigration status.

Saint Mary Catholic School may admit students who are not Catholic provided that both students and parents clearly understand that participation in Catholic religious instruction and school activities, related to the Catholic culture of the school, are required.

### **THE PROTECTION OF CHILDREN AND VULNERABLE ADULTS**

The Diocese of Pensacola-Tallahassee is committed to healing the hurting hearts of sexual abuse victims and has established Victims Assistance Coordinators who are experienced and trained counselors available to help persons who have been sexually abused.

### **DIOCESE OF PENSACOLA-TALLAHASSEE POLICY ON PRIVACY**

It is the policy of the Diocese of Pensacola-Tallahassee not to disclose information about any of our students consistent with the Family Educational Rights and Privacy Act (FERPA). This is done not only to protect privacy but to provide a safe and secure environment in which the students may learn and grow. All media requests must be referred to the Diocesan Communications Office (except for Athletics).

### **SCHOOL ADVISORY COUNCIL**

The purpose of the School Advisory Council (SAC) is to advise the Pastor of Saint Mary Parish and the Principal of Saint Mary Catholic School in the organization and operation of the School. The SAC does not exercise any actual authority with respect to the administration of the School but rather acts solely in an advisory capacity. This is to ensure that the interests and concerns of the school families are effectively considered in support of the delivery of a strong Catholic education to Saint Mary Catholic School students. New members are nominated by members of the SAC, approved by the Principal, and appointed by the Pastor and serve for a term of two (2) to three (3) years.

## **FINANCE ADVISORY COUNCIL**

The Finance Council is an advisory committee and is responsible for the preparation and monitoring of the annual school budget and drafting a long-term financial plan for the School. Members are appointed by the pastor and principal.

## **SCHOOL HISTORY**

Since its official opening in September 1946 Saint Mary School has been committed to the academic, spiritual, emotional and social well-being of students. During the past seven decades the school has endured challenges, celebrated achievements and proclaimed the Gospel message unceasingly.

On September 11, 1946, Saint Mary School was opened and had an enrollment of 57 students. A third teacher, Sister Frances Louise, arrived shortly after the school year began to assist Sister Marie Dolores and Sister Madelene Sophie. In March of 1947 Bishop Toolen dedicated the school in the presence of Father Sherman as well as many priests from Pensacola and Mobile.

Excitement was high in 1949 when President Harry S. Truman made a visit to Saint Mary (May, 1996), but enrollment had dropped to only forty-eight students and the school was in danger of closing. With the beginning of the Korean War in 1950, however, an increase in military and civilian personnel to Eglin brought new students to the school

On May 6, 1959, ground was broken for a new school with Archbishop Toolen officiating. In October of that year construction began. Sister Marie Judith spoke of having “many moments of anxiety and trust in the Lord” during that time.

On September 8, 1960, the new school on Robinwood Drive was partially completed and opened for grades one through six. The Josephine Gerlach Memorial Library, a gift to the school from the Staff and Gerlach families, was opened on campus on February 28, 1960.

The 50th anniversary of the school brought a chance to reflect on the Saint Mary story. Alumnus Father John Cayer gave the homily during the anniversary Mass. He called the history of the school “50 years of God’s grace” and stated, “Today we celebrate not just tangible reminders of the past, but God’s active involvement in our lives. Let us pray that our ‘yes’ to God today will bring another 50 years to St. Mary School.”

The groundbreaking of a new parish life center dedicated to former pastor Monsignor Mullins was in 2005. Bishop Ricard and Monsignor Mullins attended the ceremony, and many of the 369 children from the school performed songs to commemorate the special occasion. The Parish Life Center would consist of a new gym, cafeteria, offices, meeting rooms and social hall.

In the fall of 2005 Saint Mary School opened its doors and hearts to 87 children and their families displaced by Hurricanes Katrina and Rita. With enrollment at 470, following the storms several classrooms were filled to overflowing, but the school family was determined to see that anyone in need of assistance was not turned away.

On September 20, 2005, Saint Mary was named a No Child Left Behind - Blue Ribbon School. The school was recognized for scoring in the top ten percent of the nation on standardized assessments. The school celebrated its 70th year anniversary in 2016 and its 75<sup>th</sup> anniversary in 2021.

## **PHILOSOPHY**

Since parents have given their children life, they are bound by the most serious obligation to educate their offspring and therefore must be recognized as the primary and principal educators. (1) Parents are the ones who must create a family atmosphere animated by love and respect for God and man, in which the well-rounded personal and social education of children is fostered. Hence the family is the first school of social virtues and every society needs. It is particularly in the Christian family, enriched by the grace and office of the sacrament of matrimony, that children should be taught from their early years to have a knowledge of God according to the faith received in Baptism, to worship Him, and to love their neighbor. (2)

Saint Mary Catholic School was established in 1946 to proclaim the Gospel message. Saint Mary School provides a distinctive Christian environment in which the Church's tradition of education brings to students the joyful pursuit of faith, wisdom, and virtue. This integration of faith with school life develops students whose values are centered on the teachings of Jesus Christ. Through experiencing the Gospel message, students develop an inner faith, which sustains them throughout their lives. In Catholic Schools, liturgy, prayer, and all forms of faith practice are incorporated into school life.

Catholic education has the responsibility to educate those who seek such an education. The school challenges students to fulfill their potential spiritually, intellectually, physically, and socially. The community of priests, administrators, teachers, staff, parents, and students work cooperatively toward the school's goals. A strong foundation of religious education and active academic learning, coupled with close relations with home and family, encourage students to reach out from the school community to the world around them.

Christian standards of social behavior are emphasized at Saint Mary Catholic School. As a result, a strong sense of social justice is developed during the students' school years. The school provides many opportunities for service to others. Saint Mary Catholic School strives to form productive, caring members of society.

The goal of our Catholic Schools, as ministries of their Catholic parishes and the diocese, is to form, students in the Catholic faith through a rigorous academic, spiritual and moral education program. Catholic school students strive for high academic achievement, are taught to love and worship God, and live the Gospel teachings.

All parents and guardians must be aware of their obligation to model Christ and His Church's teachings. All parents and guardians of students in Catholic schools must understand and accept that all teachings of the Catholic Church are an essential and required part of the curriculum. All parents and guardians must be aware that their own conduct can impact whether a student is admitted or remains enrolled, at the discretion of the school.

The school strongly supports the parish and the importance of a Catholic family's commitment to and participation in its parish. The school also keeps an active, open, and ongoing relationship with the area parishes to foster and nurture their importance in Catholic life. The diocese very much encourages parents to continue to support their respective parish in ways deemed appropriate by their parish. The school reserves the right to dismiss any student, or to deny re-enrollment to any student, who, in the judgment of the principal, in consultation with the pastor and superintendent, is not making satisfactory progress, has engaged in conduct which is detrimental to the school, or whose parent has engaged in conduct which is detrimental to the school.

## **POLICIES AND PROCEDURES**

### **ADMISSION AND REGISTRATION POLICIES**

#### **PROBATIONARY ADMISSION STATUS**

All newly-enrolled students will be accepted on a probationary basis for the first semester of school.

#### **GENERAL ADMISSION POLICY**

Saint Mary Catholic School does not discriminate on the basis of race, color, gender, national or ethnic origin in selecting students, faculty or staff. Admission is based on the availability of space in each class and adherence to the requirements listed below.

Age entry requirements:

Pre-Kindergarten — Must be 4 years of age on or before September 1st

Kindergarten — Must be 5 years of age on or before September 1st

1st Grade — Must be 6 years of age on or before September 1st (Must have successfully completed a Kindergarten Program).

#### **ADMISSION OF SPECIAL NEEDS STUDENTS**

Saint Mary School does accept students with special needs, to include students who have an IEP or 504 Plan, if we are able to provide the services required for the child's educational setting.

Parents must meet with the principal to discuss the services needed for their child and provide the documentation, either IEP, 504 Plan, or medical testing, before admission is granted.

#### **REGISTRATION OF NEW FAMILIES**

Parents registering children for the first time must provide the following documentation:

1. Birth Certificate

2. Baptismal Certificate

3. Social Security Card
4. Florida Immunization Certificate (HRS Form 680)
5. Florida School Entry Health Exam (HRS Form 3040)
6. Non-refundable registration fee per child: \$250.00 (Due at the time of registration)

### **REGISTRATION FOR CURRENT STUDENTS**

Registration for current students is taken during the first two weeks of February. A registration packet is sent home with students whose financial accounts are current. Non-refundable registration fee per child: \$250.00 (Due at the time of registration).

### **IMMUNIZATIONS**

Per Diocesan Policy # 310, all students shall comply with State of Florida required Immunization and Health laws prior to admission. If the child's immunization status proves to be inadequate, said student shall be excluded until such time that the appropriate requirements have been completed. Parents have 30 days to bring immunizations up to date from the date they move to the state of Florida. Parents must keep the office informed of all updated immunizations. There are no exceptions to this policy. There are generally recognized to be three types of exemptions sought from the schools' immunization policy – religious, conscience and medical.

#### **Religious exemptions:**

There is nothing in Catholic moral teachings which would hold that the use of vaccines is immoral and sinful. Accepting the opinion of the much-respected National Catholic Bioethics Center, the Bishops of Florida take the position that, "Catholic schools or a Catholic diocese cannot grant an exemption from vaccination on religious grounds since the Catholic Church does not teach that the use of vaccinations...is intrinsically evil." Accordingly, requests for exemptions based on religious beliefs will not be considered in any Catholic schools of this diocese.

#### **Conscience exemptions:**

The risk to public health in our Catholic schools has been determined to be too grave to allow exemptions from immunizations on the basis of conscience, or even for parents who erroneously believe that it would be sinful to have their children immunized. Social teachings of the Catholic Church are firm and consistent on the "common good" as the principle guide to reason in this regard. In justice, we consider and sometimes place the needs of others above our own. It is in that spirit that the Catholic Church recognizes a parent's right to decide what is in the best interest of their child, so long as the effects of that decision only impacts them or their child. It is clearly a different matter when the consequence of that decision potentially puts others at risk. The good of respecting the conscience of parents of a single child is outweighed by the harm which could come to many as a result of an exemption on the basis of conscience. Accordingly, requests for exemptions based on conscience will not be considered in any Catholic schools of this diocese.

#### **Medical exemptions:**

Medical exemptions will be considered, but only if a determination can be made by diocesan officials that, based on medical evidence, admission of the child without a

vaccination would not constitute a health risk to the school community under the circumstances. If such determination cannot be made, a medical exemption will not be granted. This exemption is reserved to Diocesan officials and is not to be granted at the parish or school administration level.

## **TUITION AND FEES**

### **TUITION PAYMENT**

The payment of tuition on time is very important since the school depends upon these funds for its financial operation. Tuition is automatically taken out of FACTS. All families are required to register with FACTS. Failure to pay tuition by the end of the month will result in notification to the pastor and principal. You may be asked to remove your child from the school if your payment is in arrears for two months. As members of a Christian community we are willing to reach out to those members who experience extenuating circumstances. However, it is your responsibility to contact the bookkeeper or principal to make them aware of your particular situation. Families requesting financial assistance must see the principal to request additional help. Families seeking financial assistance will be required to complete the FACTS Grant and Aid Assessment Application to verify need.

Based on the results of the application and available funding, additional assistance may be granted.

### **TUITION PAYMENT PLANS**

Tuition payments will be made over a 10-month payment period. Tuition payments are due the 5th or the 20<sup>th</sup> of the month, with the first payment in August. If a student withdraws from school once classes have started, tuition up to and including the quarter in which the student withdraws is nonrefundable.

### **TUITION REFUND POLICY**

For students withdrawing from school at the request of the school administration, at any time, tuition up to and including the quarter in which the student withdraws is non-refundable. There are no refunds on fees.

In the event of a transfer of employment of the parent over 30 miles from their original home, the principal may use his or her discretion regarding the withdrawal fee and will notify the Schools Office of the Diocese of Pensacola-Tallahassee of his or her decision. Tuition up to and including the quarter in which the student withdraws is non-refundable. There are no refunds on fees.

If a student withdraws from school once classes have begun, tuition up to and including the quarter in which the student withdraws is non-refundable. There are no refunds on fees.

A child's attendance may be terminated if tuition is two (2) months in arrears, unless a payment plan has been approved by the Administration.

All payments for the school year must be up to date for a student to take semester/final exams.

### **EARLY WITHDRAWAL**

There will be a \$200 withdrawal fee applied to each account for withdrawal of students before the end of the school year for processing the withdrawal.

If a child is withdrawn prior to July 1st, there will be a full refund of tuition minus fees.

School begins promptly at 8:00 a.m. To fully benefit from the instructional program, students are expected to attend school regularly, be on time for classes, and satisfy all course requirements. Poor attendance or excessive tardiness may result in low or failing grades.

## REQUIRED ATTENDANCE

Any student who has not been in attendance for instruction for a minimum of 90% of the class each semester may not pass the subject unless the student demonstrates mastery of the student performance standards by passing a comprehensive final exam in the course. This will go into effect after 10 days absent in any semester.

PK3-Grade 3: Students in grades K3 – 3rd are to be delivered to the covered drop-off in the main parking lot. Staff members will be on duty beginning at 7:40 a.m.

#### Grades 4-8

Students in grades 4-8 may be delivered to the circle drive in front of the school's office. As an 8<sup>th</sup> grade privilege, families with an 8<sup>th</sup> grader and younger siblings of any grade level may utilize the middle school circle drive drop off.

### AFTERNOON:

- We will follow indoor dismissal procedures (see below) for the first 2 weeks of school.
- Drivers shall display car tags on the dashboard of the car for all carpool lines.
- No students will be dismissed to parents who are not in the carpool lines until the end of carpool.
- Do not leave your car to get your student.

- Cars that are parked in parking spaces WILL NOT be allowed to move until AFTER carline is completed.
- Students will not be dismissed from the office after carpool has begun.
- Please do not check students out after 2:30 or you will interfere with carpool. For safety reasons, carline always takes priority.

#### PK3-Grade K4

PK3 and K4 will begin dismissal at 2:40 p.m. for those students who do not have older siblings in the school. The teachers will bring the students to the area outside the Hub and load the students into the cars. Parents are asked to remain in the cars. PK3-K4 students who ride the bus, go to Extended Care, or have older siblings will be delivered to the appropriate carpool area at 2:50 p.m.

#### Grades K5 – 4<sup>th</sup>

#### Grades 5-8

Families in grades 5 -8 with no siblings younger than grade 5 will be picked up in front of the school's office at Middle School Dismissal. Cars must remain in line and not pass other cars until after the horseshoe curve. The middle school carline lot is RIGHT TURN IN AND RIGHT TURN OUT ONLY. When you enter the line, please pull as far around the curve as possible. Do not pass cars until you reach the wide area at the second overhang.

### **INDOOR/RAINY DAY DISMISSAL PROCEDURES**

For the 2024-2025 school year, indoor/rainy day dismissals for grades PK3 - 5 will take place in the classrooms. Families with more than one student in grades PK3- 5 should pick up all family members or carpool riders in the classroom of the youngest student. This will be the procedure for the first TWO WEEKS of school and then on any days when indoor dismissal is necessary.

Beginning the FIRST DAY of school, families who utilize the middle school carline will always pick up students in carline, unless weather conditions are severe enough to require indoor dismissal. In such cases, these students will follow the same procedure as grades K3 - 5.

### **TARDINESS**

Students who are not in their homeroom by the 8:00 a.m. bell must check in the office for a tardy pass. Signing in does not automatically excuse the tardy. Tardiness is excused only if it is a result of serious or unavoidable circumstances. Excessive tardiness will result in disciplinary action.

If a student arrives tardy more than 2 hours late (10:00 a.m.) or leaves school more than 2 hours early (1:00 p.m.), the student will be counted as ½ day absent.

## **ABSENCE**

### **LONG TERM ABSENCES**

Absences other than illness are approved in advance by the principal. Students missing school for vacations or trips of any kind are approved only with advance permission. Students are required to obtain assignments that are missed in advance and turn the work in the day they return.

### **ILLNESS**

Students who are ill, especially those with fever or other serious ailments, should not attend school. Students should be fever-free without medication, clear of vomit and/or diarrhea without medication, and free from other serious ailments for 24 hours before returning to school. In order for student's absence to be considered Excused, student must return with a doctor's note. A doctor's statement permitting the student to return to school is required for any contagious disease.

## **EARLY CHECKOUT**

There will be no dismissals after 2:30 p.m. except for medical appointments with a doctor's note. This is both an instructional and safety issue. Early dismissals disrupt the class routine for the whole class and it is a safety and security issue during carpool.

Appointments for the doctor and dentist should be scheduled after school. In the event a student must leave school during the day, a note must be given to the teacher at the beginning of the day. A student will not be dismissed from class before the parent arrives. If a student checks out early, they are responsible for the next day's homework and any class work missed. The student is responsible for acquiring the assignments.

## **ACADEMIC POLICIES**

### **HOMEWORK GUIDELINES**

**The goal of homework is to provide students practice in the concepts and skills that they are learning during the school day. Homework is only assigned after a concept has been introduced.**

- Students in grades 3-8 are required to use agenda books to record assignments.
- Homework assignments take into consideration individual differences and are reasonable in length.
- Homework will include activities completed outside the school which have a direct application to content being studied in school.
- Homework is evaluated; however, recording grades for every homework assignment is not necessarily required or expected.

## **MIDDLE SCHOOL LATE HOMEWORK**

Assignments that are one day late may have a 10-pt. reduction.

Assignments that are two days late may have a 30-pt. reduction.

Assignments may not be accepted if more than two days late.

Assignments not turned in may receive a grade of zero.

## **ABSENTEE WORK**

Parents may request short-term homework for absent students. Such requests must be made at the school office before 10:00 a.m. and then be picked up at school dismissal time in the school office. This will allow teachers an opportunity to write assignments without interrupting ongoing learning activities.

### Due to Illness:

- When health allows, older students should monitor their teachers' Class Dojo or Google Classrooms for assignments while absent.
- Parents of younger students should monitor Class Dojo for updates to assignments.
- Students are allowed three school days to turn in missing assignments upon returning to school from an excused absence for illness. Failure to complete missed assignments may result in a reduction in grades.
- It is the student's responsibility to obtain assignments and turn in missing work.
- If a student is absent the day of an assessment but was present the day the assessment was assigned, the student will make up the assessment upon his/her return to school.

### Due to Vacation and Extracurricular:

- Homework will be due the following day for students who miss class due to extracurricular activities (sports, etc.), and vacation absences.
- Absences for extended vacation days must receive prior approval by the principal.
- Students who take extended vacation days will need to monitor their teachers' Class Dojo or Google classroom for assignments as they can change.
- For principal-approved extended vacation days (longer than two days), students will need to confirm with their teacher when missing assignments are due, and all assessments will need to be taken immediately upon return.

students who take them. In computing the final grade, each quarter grade bears twice the weight of a semester exam.

### **RETENTION POLICY**

Parents are encouraged to contact their child's teacher at the FIRST SIGN of a student's difficulty in any academic subject. It is the teacher's duty and responsibility to notify parents through PowerSchool, conferences and report cards that academic problem(s) exist. Parents and teachers will work together in planning possible remedies to the problem.

#### Grades PreK3-1:

The faculty involved and the school administration determine retention in grades PreK3 - 1.

#### Grades 2-3:

If a student in grade 2 or 3 receives a D or below in Reading and/or Mathematics, she/he must receive a minimum of 16 hours of instruction per subject administered by a certified teacher or at an accredited facility. The faculty involved and the school administration will determine retention.

#### Grades 4-8:

If a student in grades 4-8 fails one subject s/he must attend local public summer school if available. In the event that summer school is not available, then grades 4-8 must take the course online through Florida Virtual School. If a student fails in two or more core subjects, it is automatic retention, and the student will need to repeat the grade. If the student is retained in grade eight, she/he cannot remain at Saint Mary Catholic School.

### **PARENT-TEACHER CONFERENCES**

Communication between home and school is very important and is part of our philosophy at Saint Mary Catholic School. As such, we require parents to receive at least one report card at a parent/teacher conference. For grades 3 through 8, these conferences are held at the end of quarter 1. For PreK through grade 2, the conferences are held at the end of quarter 2.

Throughout the year, teachers and parents/guardians may request additional conferences to ensure the best possible education for each student. Please call the school office or email your child's teacher to request a conference.

If a parent has any concerns in regard to his/her child's education, they should be addressed with the teacher first and then, if necessary, with the principal.

## **STANDARDIZED ASSESSMENTS**

### The Terra Nova Assessment:

The Terra Nova Assessment is given to the students in grades 2-8 in the spring as required by the Diocese of Pensacola-Tallahassee. The results of these tests are placed in the student's cumulative files and a copy given to the parents. These tests denote specific skills mastered by students and aid teachers in setting up individual programs for students. These tests are also used to evaluate the strengths and weaknesses of the curriculum. The Terra Nova is a nationally recognized, norm-referenced test that meets most states' annual testing requirements. It provides a series of tests that are easy to administer, stimulating to take, and most importantly extremely accurate in their assessment of student achievement. Terra Nova is a norm-referenced nationally standardized achievement test.

❖ Nationally standardized means that the test was administered to students across the country at the same time. Norms are also set for the time of year the tests are taken.

❖ A statistical sample of students is involved in the norming. This enables the test designers to establish appropriate percentile scales (norms) indicating how well students of a particular age and grade perform on the test items.

❖ Terra Nova is an achievement test, not a proficiency test such as the state administers. Proficiency tests are those in which students have been taught all the content and are now being tested on whether or not they "got" it. Achievement tests include content that students have been taught and include content students may not have been specifically taught, but that they could be expected to have mastered according to their cognitive ability.

### The ARK:

The Assessment of Religious Knowledge (ARK) provides teachers of grades 2-8 with actionable information to help improve students' faith formation. It gives feedback that enables teachers to make informed decisions to improve the Catholic identity—knowledge, beliefs and behaviors—of the whole school community.

### MAP Testing:

The MAP (Measures of Academic Progress) is administered three times per year in grades K-8 to provide teachers with accurate, actionable evidence to help inform instructional strategies. The MAP measures each student's academic progress or growth. By having precise measurement of student achievement, teachers and others can better monitor academic progress.

## **STUDENT RECORDS**

A cumulative record of each student is kept on file in the school office. The student record includes final averages for grades from each year, test results, health records, any auxiliary

information provided, and school entrance information. A student's record may be transferred to another school only with the appropriate approval of the parent until such student is a legal adult. The Withdrawal School Form must be completed and submitted to the school office prior to records being sent. Parents may review their child's records by making an appointment with the principal.

## **BUS POLICIES**

Safety is our primary concern on our school buses. The safety rules apply to all students. The bus adheres to a strict schedule and does not wait for late students. The bus stops at scheduled stops only. Drivers will not make unscheduled stops. This is for the safety of our children and ensures the bus is on time.

The school bus driver is in complete charge of the bus and students. Riding privileges may be revoked at any time for rule violations or for conduct that is detrimental to the safe operation of the school bus. In addition, if parents/guardians are repeatedly late meeting the bus at the designated stop, riding privileges for the student(s) may be revoked.

Vandalism, unauthorized use of the emergency door, or other major disruptions caused by a student may result in immediate forfeiture of busing services for the rest of the year. Any cost incurred or repair necessary as a result of a student's actions to or on the bus will be assessed to the family or families involved.

Students or parents who have comments or concerns about bus behavior guidelines should direct them to Saint Mary Catholic School.

### **CAFETERIA POLICIES**

Saint Mary Catholic School is a participant in the USDA Federal Lunch/Breakfast Program. Hot and nutritionally balanced meals are prepared daily. The five menu categories are Meat/Protein, Vegetable, Fruit, Grain, and Milk, (usually fat-free, reduced fat, chocolate reduced fat and whole milk choices). On most days, there is more than one selection in each of the categories offered. Students in PK3-grade 1 will have their trays prepared with 4 lunch items by the cafeteria staff.

Lunch costs \$3.50 for students at all grade levels. The non-student (adult) meal cost is \$4.50. A la carte items & extra entrees will cost \$1.75. Students who bring a sack lunch may purchase milk or juice for 75¢.

It is a parental responsibility to provide for a child's lunch. Students can charge meals if they forget their lunch or lunch money; however, charging should not be considered a normal procedure. Students may not charge for extra servings.

Lunches may not be dropped off or brought into school by parents once the school day has started. Students will purchase or charge a lunch from the cafeteria if they are without a lunch from home.

Canned and/or carbonated drinks are not allowed.

As we are a USDA Meal Program, foods from outside vendors (i.e., McDonalds, Subway, Sonic, etc.) are NOT to be brought in for students to eat at lunch. Parents may send in cookies or other treats for a student's birthday in accordance with and approval from individual teacher's classroom policies.

Saint Mary School utilizes [My School Bucks](#), an online meal payment program that allows parents to pay for meals online.

Lunches and milk for the week may be purchased in advance from the cafeteria cashier. The money should be sent to the homeroom teacher in a labeled envelope. Prepaid credits are maintained by the cafeteria cashier. Parents may also pay online through My School Bucks.

### **CAFETERIA BEHAVIOR**

Students are expected to follow all cafeteria policies. There are two lunchroom monitors in the cafeteria. The monitors are in charge of the students during their lunch period. Teachers bring students to the cafeteria, get the students seated and then will have duty-free lunch. The monitors will supervise the lunch time for each class and will guide the students in appropriate manners. Students are expected to use good table manners which includes, but is not limited to:

1. keeping conversation to an appropriate noise level.
2. remaining in their seats during lunch, unless given permission by one of the supervising adults.
3. cleaning tables when assigned.
4. putting trash into the container, cleaning up the floor, and exiting quietly when instructed to do so by the monitors or their teachers.

Apple watches, other Smartwatches, and Fitbit-type trackers that have internet access are not permitted on school property and will be confiscated.

Any confiscated phone or Smartwatch must be picked up from the principal by a parent.

## **COMMUNICATION**

Effective communication is essential to the success of our school. Parents are encouraged to reach out to the front office or to teachers when questions or concerns arise, or to provide information concerning the welfare of students.

### Flocknote Messaging:

SMCS uses a text messaging program called Flocknote to communicate important school information on a regular basis. We highly advise signing up for this service through the link on the front page of our website.

### Contacting Students during School Hours:

Parents picking up students, leaving messages, etc., during school hours must go through the Office. Messages for students and teachers will be delivered at a time that does not disrupt classroom activity. Please make every attempt to keep these interruptions to a minimum. It is important that the pick-up procedures/plans be made before the school day begins. We will not accept change in routine instructions for students after 2:15 p.m. unless it is an emergency.

Parents are not to enter the classroom during the school day unless they are scheduled as a volunteer and have signed in at the school office. All visitors to school must go through security procedures in the office upon entering the campus.

### Office Telephone:

Students will use the office telephone for emergency purposes only. Items left at home such as books, homework, lunches, band instruments, or physical education uniforms/equipment or extracurricular items are not considered emergencies.

Additionally, phone calls to arrange after-school activities are not allowed; these arrangements should be made prior to the beginning of the school day.

### SMCS Message Newsletter:

Every Friday we send out our newsletter, the SMCS Message. The newsletter is an excellent way to be up to date on all school news and participate in school fellowship. The Message is accessible on the school website under the SMCS Message heading, emailed home to all families, and posted on the school Facebook page.

## **DISCIPLINE**

At Saint Mary Catholic School, our goal is to provide a positive, caring learning environment where students can reach their full potential. Students and parents are provided a list of specific classroom procedures and expectations at the beginning of each year. Each teacher has his/her own classroom management system. Please be aware that any one list of rules is not all-inclusive but serves as a general guide. It is our intention to work together to ensure that each student progresses. As part of this partnership, the school requests that parents discuss classroom expectations and procedures at home.

### Classroom Discipline:

Each teacher develops a discipline plan that is implemented prior to sending a student to the office. Teachers send a discipline plan home to parents/guardians at the beginning of each school year. A Disciplinary Report (DR) is sent home for conduct violations in all grades.

These reports must be signed by a parent/guardian and the student and returned to the issuing teacher the next school day. Failure to return the DR or to bring a note from home results in an automatic Detention. When a student's behavior fails to be corrected in the classroom, the teacher will conference with the parent.

All concerned parties will meet to discuss the problem and seek a solution.

Suspension may be assigned for the following offenses:

- \*Three detentions accumulated during the school year

Suspensions are cumulative for the entire school year. Any student with two suspensions on their record at the end of the school year will be placed on probation for the first semester of the following school year.

### **Probation**

This is a trial period when a student must demonstrate good behavior and a willingness to cooperate with other students and the school's staff.

### **Expulsion**

This is a disciplinary measure used only when incorrigible behavior or conduct threatens the physical or moral welfare of other students or seriously affects the learning process. A parent conference is imperative when such a problem is discovered. The principal, with the approval of the pastor, may expel a student for a grave reason. The Superintendent of Schools is made aware of such problems prior to the parent conference and expulsion.

- \*Three suspensions are grounds for expulsion
- \*Any level three offense may result in an automatic expulsion regardless of prior behavioral record.

The Extended Care program provides quality supervision that fosters development and is available to children enrolled at Saint Mary Catholic School. Parents must first complete a registration form before they may enroll their children. Extended Care student enrollment is limited, with priority for families that need daily care. ### **Extended Care Rules**

Failure to comply with the rules listed here can result in a phone call to the parent/guardian and then subsequent removal from the program.

- Students report to the Extended Care staff person immediately upon arrival in the morning and immediately after school dismissal in the afternoon. The Extended Care staff is not responsible for students who do not report after school.
- Students may not leave the playground and must stay within the fenced area. If weather does not permit outdoor play, students will be in the cafeteria.

- Students must have the permission of the staff person to re-enter the school once they are outside. The staff must know where the children are at all times.
- All students will be signed in at the cafeteria and must be signed out by someone listed on their emergency contact card. If other arrangements must be made for pick-up, please send a note with your child to school or call the school to let the staff know who will be picking your child up. That person will be required to show a picture I.D.
- All students will be expected to respect the staff and each other, as well as the materials and environment provided. Students who do not adhere to the rules may be placed in time out. Length of discipline will depend upon the student's age and behavior. Second offense of same behavior will result in a parent/director meeting and third offense of same behavior will result in a parent/principal meeting to discuss student remaining in the program.
- No electronics are allowed in the Extended Care Program, to include cell phones. Please see school electronic policy.
- Students not picked up by 6:00 p.m. will accrue a fee.

### **EXTRACURRICULAR ACTIVITIES**

To further the development of each student, Saint Mary Catholic School has a variety of extracurricular activities in which students are encouraged to participate. Activities include band, choir, drama, and sports, as well as Mercy in Motion, Academic Team, Robotics Team, NJHS, and numerous clubs. Students must have a 2.0 and satisfactory conduct on progress reports and report cards to participate in sports, Academic Team, clubs, Student Council, or the school play. Any activity after school hours or one that may pull a student during academic classes is considered extracurricular.

### **FIELD TRIPS**

Field trips are recognized as an integral part of a sound educational program and provide a valuable addition to the classroom curriculum. They provide students with experiences to expand their educational and cultural horizons. Each child must have a school-issued permission slip and a medical treatment release form, signed by a parent or guardian, in order to accompany the class on a field trip. Verbal permission or handwritten note by parent will not be accepted. If special financial arrangements are needed, please see Principal privately.

Field Trips are a privilege, not a right. Students can be denied participation if they fail to meet behavioral or academic requirements as determined by classroom teachers or school administration. All reasonable and prudent steps to safeguard the welfare of participating students shall be taken. Only students enrolled in Saint Mary School will be allowed to participate in class field trips. Younger or older children may not accompany adult chaperones on the class trips. Chaperones must be able to give their undivided attention to supervising class members.

When valid school bus transportation is not available and private vehicles are used, the following is required:

- Qualified volunteer drivers over 25 years of age must complete and be in compliance with all stipulations on the Volunteer Driver Information Form.

- Every student in a car must wear a seat belt or be in a booster seat and may not sit in the front seat.

Students in grades PreK-2 must be in an approved booster seat, provided by their parents. (If a student is 4'9" or taller, s/he may sit with a seat belt. That student will not be required to have a booster seat, if the seatbelt fits correctly according to American Academy of Pediatrics guidelines.

## **GUESTS / VISITORS**

All guests and visitors must sign in the front Office through our Raptor Security System. A name badge will be provided. Identification is required.

## **HEALTH**

Saint Mary Catholic School encourages student health and fitness to promote a safe and healthy school environment. All students enrolled in Saint Mary Catholic School must have a Florida Physical Examination on file with the school and a Florida Certificate of Immunization for polio, measles, DPT, hepatitis, mumps, and rubella. Enrollment is not possible unless both are on file.

Students complaining of minor ailments with no fever are allowed to rest in the classroom. Students are not allowed to "rest" in the office. If a student is not well enough to remain in the classroom, the parents are called to pick up the student. Minor scrapes are handled in the classroom. All classrooms have a first aid kit.

Parents/guardians are contacted immediately for information and instructions in case of serious illness or accidents. If the parents/guardians are not available, the Emergency Form is consulted for directions. If no responsible person can be reached, and an illness or injury is serious enough to require medical attention, the administrator in charge will arrange for the student to receive appropriate emergency or hospital care.

### Medication

No medication of any kind will be dispensed at school, or at a school-sponsored event, without written permission from the parent or guardian.

### Medication Guidelines

Should it be necessary for a child to receive prescription or non-prescription medicines during the school day, the following regulations shall apply:

- A written consent form signed by the parent or legal guardian must be in the office before any medication can be dispensed, non-prescription and/or prescription. Verbal permission will not be accepted.
- Prescription medication must be in the original container and have the pharmacy label indicating the physician's name, child's name, and strength of the medication.
- Medication shall be given to the child listed on the label only and will be given in accordance with the label instructions.
- The only non-prescription medications that can be dispensed are Tylenol (acetaminophen), Motrin (Ibuprofen) and Benadryl and must have a signed medical form on file.

- The dosage for non-prescription medicine shall not exceed the label instructions, unless prescribed by a physician, for the particular age of the child.
- No child will be allowed to take medicine without supervision.
- Children will not be allowed to have in their possession ANY medications. Rescue medications such as inhalers for asthma, EpiPens for severe allergies, and glucose medication for Type 1 diabetics as prescribed by a physician will be kept in an emergency bag that will travel with the child's class for ease of access in the event the child is in acute need.
- Parents will need to provide the prescription medication to be left at school. Medication will not travel back and forth from school to home with the child. Parent must put the request for this into writing accompanied by a doctor's note illustrating the need.
- The parent must supply all medication. All medication left in the school office at the end of the school year will be destroyed.
- It is the parent's responsibility to apprise the teacher and office personnel of any medication a child is taking.

NOTE: According to Diocesan and County policy, the school will not dispense prescription medication unless the signed authorization to dispense prescription medication form is on file in the school office. These forms are available from the Office Manager at the office.

#### Medical Emergencies

Parents are called for all medical emergencies and are encouraged to take the child to a doctor or hospital for immediate help. If necessary, emergency personnel (911) are called before parents are notified. If a child is injured, parents will be notified according to the numbers listed on the Emergency Cards kept on file in the office. It is essential that contact information is kept current in the office.

#### Accidents

In cases of minor abrasions, the injury will be washed with soap and water. For other minor injuries, ice may be applied. In cases of more serious mishaps, children will be taken to the office and parents will be notified. School law prohibits the use of first aid equipment and medicine given orally.

#### Student Accident Insurance

The Diocese of Pensacola-Tallahassee provides accident coverage to school students while they are in school or participating in school sponsored events, including sports. Payments are made on an excess basis, which means the parents first file the medical expense claim with their insurer, and then the diocesan policy can provide payment for the deductible or co-pay. If the family does not have medical insurance, the diocesan policy will reimburse the medical expenses (on a primary basis) subject to the terms and conditions of the coverage.

#### **LOST AND FOUND**

All clothing, outerwear, lunch boxes and water bottles must be marked with student's name. This is extremely important, as all uniform items look the same. Sweaters, jackets, and gym clothing are turned in to the office daily and sometimes cannot be returned to the owner because

of lack of identification. Please use your child's full name rather than initials for labeling purposes. You can use a fabric marking pen on the clothing labels.

## **MEDIA CENTER**

The Saint Mary Catholic School Media Center is comprised of the Monsignor Cunningham Library and the Josephine Gerlach Computer Lab. The facilities are used for library and computer skills instruction; they are also available to support the curriculum. Teachers and students are always welcome in the Media Center and are encouraged to use resources to the fullest extent possible. The Media Center strives to enrich the learning experience and serves as a resource bank for both teachers and students.

### Library Books

The Library is available for students to use throughout the school day. Students who have overdue material are not permitted to check out additional resources. Library skills are taught during class library visits.

### Computer Lab

Saint Mary Catholic School has an open format for use of the computer lab. Under this policy teachers are encouraged to bring their classes to the computer lab. This is in addition to the scheduled computer instruction time. In order to ensure optimal facility usage, teachers reserve their desired time for their class and will accompany them in the lab.

### Computer Skills Instruction

Computer skills instruction is a regularly scheduled activity. Each class from K5-grade 6 is assigned weekly computer lab time. Students in grades 7 and 8 have the option of taking a computer science course as an elective.

Middle school students participate in a 1-to-1 computer initiative that began during the 2018-2019 school year. Each student in middle school is issued a Dell laptop for use both in and out of the classroom. Students in lower grades have access to laptops or iPads to use as needed. Before a device is issued to the student, s/he and his/her parent/guardian must sign the Dell Contract. (The Acceptable Use Policy, Agreement, Contract and Care for Laptops is on the school website.)

### Internet Policy

Controlled Internet access for educational purposes is available at Saint Mary Catholic School. As with other forms of educational media available in our school, every reasonable effort is made to supervise and limit all children's viewing to age-appropriate material that is consistent with Catholic teaching. ### Management of Asbestos Insulation Products

The Asbestos Hazard Emergency Response Act (AHERA) of 1986 requires that all schools be inspected to determine if there are any building materials that contain asbestos. Saint Mary Catholic School has complied with AHERA by completing the following requirements:

1. Inspecting all facilities for both friable and non-friable asbestos-containing building materials.
2. Samples taken during the inspections of all materials suspected of containing asbestos, and the samples were analyzed at an EPA-accredited laboratory.
3. A Management Plan based upon the inspection report and laboratory findings, outlining the administration's intent in controlling and abating any asbestos-containing building materials.

The inspection results are available for review in the administrative office. The Management Plan, maintenance and custodial actions required by the plan, and training of personnel are all dedicated toward a serious and careful effort to always ensure that any potential health hazard from asbestos is eliminated. Students, faculty and employees have, and will continue to have, a safe environment in which to learn, teach, and work.

### Playground Safety Rules

Common sense and safety prevail on the playground. Children who do not obey will be given a "time out" and/or issued a discipline note.

Students will use all equipment only in the manner for which it was designed.

One person is allowed per swing. Students must keep their hands on their own swings. Students must swing at the height where the swings have been set.

No one is allowed on top of any equipment.

Students must stay away from the fence line.

Students must stay off the PE field if there is a class on the field.

Students may not throw anything at any time except balls.

Students may not tumble or perform gymnastic stunts on equipment or on the ground.

### Safety Drills

The school will then have scheduled drills to ensure a timely response can be made to emergency situations. Specific directions are given at the beginning of the school year and are posted in appropriate places. Silence is to be observed throughout the entire drill - in the classroom, halls, and on school grounds.

### Suspected Child Abuse

State law requires designated persons in a supervisory role, having reason to believe that a child under the age of eighteen years has had physical injury or injuries inflicted upon him or her by other than accidental means, where the injury appears to have been caused as a result of physical or sexual abuse or neglect by an adult, must report the matter promptly to the Department of Children and Families in the county where the suspect injury occurred. Parents need not be notified of such a report.

## Weapons Policy

Students are prohibited from bringing weapons or look-alikes to school and school-sponsored activities or having weapons in school or at school-sponsored activities, on the school premises, or in the immediate vicinity of the school. State law requires the reporting of possession of a "dangerous weapon" to the local law enforcement agency. "Dangerous weapon" includes a firearm, dagger, dirk, stiletto, and any knife with a blade over 3 inches long, pocketknife opened by mechanical device, iron bar, or brass knuckles.

- Definitions

Any student discovered to be, or suspected of, carrying, possessing, concealing, or transferring a weapon on school premises or in the immediate vicinity of the school shall be immediately excluded from classes pending investigation.

- Search and Detainment

A search can be conducted to verify the suspicion or clarify the discovery. It may include, without prior warning, an inspection and search of a student's person, pockets (the student empties his/her own pockets), book bags, purse, locker, cubby, lunch bag, automobile, etc. Questioning of the same purpose may include questioning by the principal, a member of the administrative team, a teacher, the pastor, or a person acting in the place of any of these. When a body search is conducted, it shall be in the principal's or pastor's office or other appropriate place. A person of the same sex will conduct the search of the student. If a student refuses to cooperate or interferes with a search of a person or possessions or premises, she/he will be warned that refusal to cooperate without legitimate reason will result in disciplinary action, up to and including expulsion from school. Depending on the nature of the weapon, the local police department shall be notified immediately.

If possible, a student will be detained whenever the school has reason to suspect a student may have a weapon or when a weapon is present on school premises. Any student found to be in violation of the school's weapons policy is subject to disciplinary action up to and including expulsion. The principal may exercise the option to both keep non-school persons out of the school and/or retain students in the school until police have completed their investigation. Any student determined to have brought a firearm to school will be expelled. The term "firearm" means:

- the frame or receiver of any such weapons;

Parents should contact the teacher at least a week in advance of sending in any treats. Any social activities occurring after school hours are the responsibility of the parents.
