A. PRINCIPAL'S LETTER

Dear St. Mary Catholic School Community:

On behalf of the faculty and staff of St. Mary Catholic School, welcome to the 2025-26 school year. A little over two years ago, I began my tenure here. One of the first items on my checklist when I arrived was to meet and greet the entire faculty and staff. I met with each person individually. In the context of those meetings, I asked everyone to provide one thing I should take away from our meeting about St. Mary's. Overwhelmingly, the idea of family emerged.

St. Mary's is about many things: providing an education animated by the truth and charity of the Gospel of Jesus Christ, educating the whole person (mind, body, and spirit), and laying the foundation for a good and productive life ordered toward Truth, Beauty, and Goodness. But, it is also about family. St. Mary's is about a collective of families who share a common vision for education. A vision which sees education that goes far beyond just the truths taught in a particular subject area to the author of all truth. A vision which sees education as the vehicle to attain our life's purpose – unity with Jesus in eternity.

As we begin this new school year, I pray we all keep this vision in mind and maintain singularity of purpose and drive.

Peace and blessings,
Mr. Rodgers

B. PASTOR'S LETTER

Dear Students, Parents, Faculty, and Staff,

Welcome to the 2025–2026 school year at Saint Mary Catholic School! As we return to the classroom, we do so in a spirit of joy, renewal, and deep faith. This year brings exciting blessings to our Church, our school, and our diocese.

We begin under the inspiring leadership of Pope Leo XIV, our newly elected Holy Father. His early initiatives have already emphasized a renewed commitment to Evangelization, Catholic education, Eucharistic devotion, and a bold proclamation of the Gospel. May we follow his lead with open hearts and minds, rooted in Christ.

At Saint Mary, we proudly continue our mission of forming students with a vibrant Catholic identity. This year we place renewed emphasis on our faith and traditions, weaving prayer, liturgy, and devotion more deeply into the fabric of daily life. We want you to claim your

Catholic faith and relationship with Jesus Christ as the focal point of your life, your organizing principle for your existence.

A special milestone this year is the beginning of the implementation of the Restored Order of the Sacraments of Initiation, in which students will receive Confirmation before First Holy Communion. This ancient and grace-filled tradition more clearly reveals the power of the Holy Spirit at work in our young people from an earlier age. You will hear more about this in separate communications.

We also join our wider Diocesan Church in celebrating our 50th anniversary as the Diocese of Pensacola-Tallahassee, from November 6, 2025, to November 2, 2026. Throughout the year, around the diocese, we will honor our diocesan heritage with special liturgies, events, and service projects that deepen our love for Christ and his Church.

As we begin this extraordinary year, I invite everyone to recommit to three key values:

1. Faith First - Let our days be centered on Christ through Mass, prayer, and sacramental life.
2. Excellence for God's Glory - Let our studies here and at home lead us to truth, beauty, goodness, wonder, and wisdom in service to God.
3. Love in Action - Let us serve generously, just as Christ came to serve.

May the Holy Spirit guide and protect us throughout this school year. I look forward to all God has in store for us in the months ahead.

In Christ,
Msgr. Doug Halsema

C. SCHOOL HISTORY

Since its official opening in September 1946 Saint Mary School has been committed to the academic, spiritual, emotional and social well-being of students. During the past seven decades the school has endured challenges, celebrated achievements and proclaimed the Gospel message unceasingly.

On September 11, 1946, Saint Mary School was opened and had an enrollment of 57 students. A third teacher, Sister Frances Louise, arrived shortly after the school year began to assist Sister Marie Dolores and Sister Madelene Sophie. In March of 1947 Bishop Toolen dedicated the school in the presence of Father Sherman as well as many priests from Pensacola and Mobile.

Excitement was high in 1949 when President Harry S. Truman made a visit to Saint Mary (May, 1996), but enrollment had dropped to only forty-eight students and the school was in danger of closing. With the beginning of the Korean War in 1950, however, an increase in military and civilian personnel to Eglin brought new students to the school.

On May 6, 1959, ground was broken for a new school with Archbishop Toolen officiating. In October of that year construction began. Sister Marie Judith spoke of having “many moments of anxiety and trust in the Lord” during that time.

On September 8, 1960, the new school on Robinwood Drive was partially completed and opened for grades one through six. The Josephine Gerlach Memorial Library, a gift to the school from the Staff and Gerlach families, was opened on campus on February 28, 1960.

The 50th anniversary of the school brought a chance to reflect on the Saint Mary story. Alumnus Father John Cayer gave the homily during the anniversary Mass. He called the history of the school “50 years of God’s grace” and stated, “Today we celebrate not just tangible reminders of the past, but God’s active involvement in our lives. Let us pray that our ‘yes’ to God today will bring another 50 years to St. Mary School.”

The groundbreaking of a new parish life center dedicated to former pastor Monsignor Mullins was in 2005. Bishop Ricard and Monsignor Mullins attended the ceremony, and many of the 369 children from the school performed songs to commemorate the special occasion. The Parish Life Center would consist of a new gym, cafeteria, offices, meeting rooms and social hall.

In the fall of 2005 Saint Mary School opened its doors and hearts to 87 children and their families displaced by Hurricanes Katrina and Rita. With enrollment at 470, following the storms several classrooms were filled to overflowing, but the school family was determined to see that anyone in need of assistance was not turned away.

On September 20, 2005, Saint Mary was named a No Child Left Behind - Blue Ribbon School. The school was recognized for scoring in the top ten percent of the nation on standardized assessments. The school celebrates its 80th year anniversary in 2026.

D. MISSION STATEMENT

Dedicated to Catholic values, Saint Mary Catholic School is a Christ-centered educational community committed to academic excellence, spiritual growth, individual responsibility, and service to others.

“We Walk with Jesus”

E. PHILOSOPHY

Since parents have given their children life, they are bound by the most serious obligation to educate their offspring and therefore must be recognized as the primary and principal educators. (1) Parents are the ones who must create a family atmosphere animated by love and respect for God and man, in which the well-rounded personal and social education of children is fostered. Hence the family is the first school of social virtues and every society needs. It is particularly in the Christian family, enriched by the grace and office of the sacrament of matrimony, that children should be taught from their early years to have a knowledge of God according to the faith received in Baptism, to worship Him, and to love their neighbor. (2)

Saint Mary Catholic School was established in 1946 to proclaim the Gospel message. Saint Mary School provides a distinctive Christian environment in which the Church’s tradition of education

brings to students the joyful pursuit of faith, wisdom, and virtue. This integration of faith with school life develops students whose values are centered on the teachings of Jesus Christ. Through experiencing the Gospel message, students develop an inner faith, which sustains them throughout their lives. In Catholic Schools, liturgy, prayer, and all forms of faith practice are incorporated into school life.

Catholic education has the responsibility to educate those who seek such an education. The school challenges students to fulfill their potential spiritually, intellectually, physically, and socially. The community of priests, administrators, teachers, staff, parents, and students work cooperatively toward the school's goals. A strong foundation of religious education and active academic learning, coupled with close relations with home and family, encourage students to reach out from the school community to the world around them.

Christian standards of social behavior are emphasized at Saint Mary Catholic School. As a result, a strong sense of social justice is developed during the students' school years. The school provides many opportunities for service to others. Saint Mary Catholic School strives to form productive, caring members of society.

The goal of our Catholic Schools, as ministries of their Catholic parishes and the diocese, is to form students in the Catholic faith through a rigorous academic, spiritual and moral education program. Catholic school students strive for high academic achievement, are taught to love and worship God, and live the Gospel teachings.

All parents and guardians must be aware of their obligation to model Christ and His Church's teachings. All parents and guardians of students in Catholic schools must understand and accept that all teachings of the Catholic Church are an essential and required part of the curriculum. All parents and guardians must be aware that their own conduct can impact whether a student is admitted or remains enrolled, at the discretion of the school.

The school strongly supports the parish and the importance of a Catholic family's commitment to and participation in its parish. The school also keeps an active, open, and ongoing relationship with the area parishes to foster and nurture their importance in Catholic life. The diocese very much encourages parents to continue to support their respective parish in ways deemed appropriate by their parish. The school reserves the right to dismiss any student, or to deny re-enrollment to any student, who, in the judgment of the principal, in consultation with the pastor and superintendent, is not making satisfactory progress, has engaged in conduct which is detrimental to the school, or whose parent has engaged in conduct which is detrimental to the school.

F. ACCREDITATION

Saint Mary Catholic School is also a member of the National Catholic Education Association.

G. MINISTERIAL CLAUSE

Saint Mary Catholic School is a ministry of Saint Mary Catholic Parish and is part of the Diocese of Pensacola-Tallahassee's system of schools, which is under the direct supervision of the Bishop and his delegates. Catholic schools serve the Diocese by playing an integral role in the religious mission of the Diocese.

H. PROTECTION OF CHILDREN AND VULNERABLE ADULTS

The Diocese of Pensacola-Tallahassee is committed to healing the hurting hearts of sexual abuse victims and has established Victims Assistance Coordinators who are experienced and trained counselors available to help persons who have been sexually abused.

I. SCHOOL COUNCILS

School Advisory Council:

The purpose of the School Advisory Council (SAC) is to advise the Pastor of Saint Mary Parish and the Principal of Saint Mary Catholic School in the organization and operation of the School. The SAC does not exercise any actual authority with respect to the administration of the School but rather acts solely in an advisory capacity. This is to ensure that the interests and concerns of the school families are effectively considered in support of the delivery of a strong Catholic education to Saint Mary Catholic School students. New members are nominated by members of the SAC, approved by the Principal, and appointed by the Pastor and serve for a term of two (2) to three (3) years.

Finance Advisory Council:

The Finance Council is an advisory committee and is responsible for the preparation and monitoring of the annual school budget and drafting a long-term financial plan for the School. Members are appointed by the pastor and principal.

II. ADMISSIONS

A. NON-DISCRIMINATION

It is the policy of the Diocese of Pensacola-Tallahassee, and thereby Saint Mary Catholic School, to admit students of any race, disability, color, sex, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. They do not discriminate on the basis of race, disability, color, sex, national and ethnic origin in administration of educational policies, and athletic and other school administer programs.

Students are allowed to enroll in diocesan schools regardless of their immigration status.

Saint Mary Catholic School may admit students who are not Catholic provided that both students and parents clearly understand that participation in Catholic religious instruction and school activities, related to the Catholic culture of the school, are required.

B. ENROLLMENT PROCESS

Students are considered for admission based on Saint Mary's ability to meet the needs of each student academically, behaviorally, developmentally, physically and emotionally. In matters of admission and registration, the decisions of the Principal and Admissions Team are final. Parents will be notified as to a student's acceptance or placement on a waiting list as soon as possible. Admission to Saint Mary Catholic School is based on the availability of space in each class and adherence to the requirements listed below.

E. STUDENTS WITH SPECIAL EDUCATIONAL NEEDS

Saint Mary School does accept students with special needs, to include students who have an IEP or 504 Plan, if we are able to provide the services required for the child's educational setting.

Parents must meet with the principal to discuss the services needed for their child and provide the documentation, either IEP, 504 Plan, or medical testing, before admission is granted.

F. REGISTRATION OF NEW FAMILIES

Parents registering children for the first time must provide the following documentation:

1. Birth Certificate
2. Baptismal Certificate
3. Social Security Card
4. Florida Immunization Certificate (HRS Form 680)
5. Florida School Entry Health Exam (HRS Form 3040)
6. Non-refundable registration fee per child: \$250.00 (Due at the time of registration)

Immunizations

Per Diocesan Policy # 310, all students shall comply with State of Florida required Immunization and Health laws prior to admission. If the child's immunization status proves to be inadequate, said student shall be excluded until such time that the appropriate requirements have been completed. Parents have 30 days to bring immunizations up to date from the date they move to the state of Florida. Parents must keep the office informed of all updated immunizations. There are no exceptions to this

policy. There are generally recognized to be three types of exemptions sought from the schools' immunization policy – religious, conscience and medical.

1. Religious exemptions:

There is nothing in Catholic moral teachings which would hold that the use of vaccines is immoral and sinful. Accepting the opinion of the much-respected National Catholic Bioethics Center, the Bishops of Florida take the position that, “Catholic schools or a Catholic diocese cannot grant an exemption from vaccination on religious grounds since the Catholic Church does not teach that the use of vaccinations...is intrinsically evil.” Accordingly, requests for exemptions based on religious beliefs will not be considered in any Catholic schools of this diocese.

2. Conscience exemptions:

The risk to public health in our Catholic schools has been determined to be too grave to allow exemptions from immunizations on the basis of conscience, or even for parents who erroneously believe that it would be sinful to have their children immunized. Social teachings of the Catholic Church are firm and consistent on the “common good” as the principle guide to reason in this regard. In justice, we consider and sometimes place the needs of others above our own. It is in that spirit that the Catholic Church recognizes a parent’s right to decide what is in the best interest of their child, so long as the effects of that decision only impacts them or their child. It is clearly a different matter when the consequence of that decision potentially puts others at risk. The good of respecting the conscience of parents of a single child is outweighed by the harm which could come to many as a result of an exemption on the basis of conscience. Accordingly, requests for exemptions based on conscience will not be considered in any Catholic schools of this diocese.

3. Medical exemptions:

Medical exemptions will be considered, but only if a determination can be made by diocesan officials that, based on medical evidence, admission of the child without a vaccination would not constitute a health risk to the school community under the circumstances. If such determination cannot be made, a medical exemption will not be granted. This exemption is reserved to Diocesan officials and is not to be granted at the parish or school administration level.

G. REREGISTRATION

Registration for current students is taken during the first two weeks of February. A registration packet is sent home with students whose financial accounts are current. Non-refundable registration fee per child: \$250.00 (Due at the time of registration).

H. PROBATION

All newly-enrolled students will be accepted on a probationary basis for the first semester of school.

I. TRANSFER/WITHDRAWAL

When a student withdraws or transfers to another school, it is the responsibility of the parent to complete a Saint Mary Catholic School withdrawal/transfer form. All books and materials that belong to the school must be returned and all outstanding balances and school accounts must be paid in full. Schools in the Diocese of Pensacola-Tallahassee do not release official student records to parents, unless the parent has registered with the public-school district to homeschool the student and provides such documentation to the school office. Records will be transferred directly to another school upon request. Transcripts will be released when all school accounts are paid in full.

As per Diocesan Office for Catholic Schools policy #305, the pastor and superintendent are to be consulted in cases of doubt or unusual circumstances about registering a student. The pastor and superintendent are to be consulted or informed when a student is dismissed. Administration of a school being asked to enroll a transfer student from another Catholic school within the diocese will consult the principal of the other school prior to accepting the student on mid-year transfers. The decision of acceptance at the receiving school is up to administration, subject to review by the superintendent.

III. FINANCES

We extend a warm welcome and show respect to our families from various Christian faith traditions while upholding our identity as a Catholic institution. We believe what unites us in Christ is far greater than any difference in theology. Any inquiries or concerns regarding religious activities should be addressed during the initial enrollment meeting with the administration before the students' first day of attendance.

E. DEVOTIONS

Catholic devotions are cherished customs, rituals, and practices that express worship of God and veneration of the Saints. These acts of devotion reflect a deep love and commitment, shaped by an individual's faith, cultural heritage, and the teachings of the Gospel of Jesus Christ. At Saint Mary, we honor the Blessed Sacrament through Eucharistic processions and Adoration. We also

venerate our patroness, Mary, Mother of God, by praying the Living Rosary in October and celebrating May Crowning in the spring.

F. MASS

Mass attendance on Sundays and Holy Days of Obligation is vital to each child's faith formation and is required of your family according to Church Law which is ultimately derived from Divinely revealed law.

Beyond being an obligation, full, frequent, and active participation in the Mass helps children understand and receive their faith naturally, it prioritizes faith, and it serves as an organizing principle for their lives and the life of the family. It is also important for parents, as the first teachers of their children in the faith, to model participation for their children in this manner.

As a school community, we celebrate Mass together each week, as well as on Holy Days of Obligation and special feast days. Mass attendance during the week does not fulfill your family's Sunday Mass obligation.

Parents, grandparents, and other extended family members are warmly welcome to join the school and parish community for these Masses.

G. RETREATS

Students in all grade levels participate in retreat experiences at different times throughout the school year.

H. VIRTUES IN PRACTICE

Virtues in Practice is a schoolwide program that helps our students grow closer to Christ by imitating the virtues taught to us by His life, death and resurrection. Students in every class focus on the same virtue each month, and our Servant of the Lord award recipients are chosen for living out the virtues in their daily lives. Virtues are introduced and highlighted during our morning announcements, and they are reinforced within the classroom. Monthly virtue visits provide opportunities for students to share how they can apply the virtues in their lives.

I. SERVICE PROJECTS

Service to others is one of the four commitments proclaimed our mission statement. We encourage all students to make service an active part of their lives, both within and outside of school. All students have the opportunity to participate in school service projects, often organized by our Student Council or as part of the House System.

V. ACADEMICS

A. GENERAL CURRICULUM

1. Kindergarten: Religion, Language Arts, Mathematics, Science, History, Handwriting, Spanish, Music, Computers, Physical Education, Art, Library Skills
2. Primary: Religion, Reading/Phonics, English, Spelling, Handwriting, Mathematics, Science, History, Spanish, Music, Computers, Physical Education, Art, Library

4. Middle School: Theology, English, Literature, Mathematics, Science, History, Physical Education, Art, Spanish (6)

B. ACADEMIC INTEGRITY

All students are expected to demonstrate honesty in their academic pursuits and submit work that is entirely their own. As a St. Mary Catholic School student, responsibility is an integral part of student life along with moral, spiritual, and personal growth. Practices considered dishonest and, therefore, not permitted, include, but are not limited to, cheating and plagiarism.

Cheating includes purposefully giving or receiving help/answers on any test, quiz, or assignment when specific permission to do so has not been given by the teacher. This infraction is commonly encountered in the following forms: unauthorized cheat sheets, copying from another student's work, looking at another student's assignment or exam, opening books/using notes during an assessment when not authorized, use of unauthorized answer keys found on-line, and using previously graded assessments for a different student from a prior year.

Plagiarism is defined as: to steal and pass off the ideas or words of another as one's own; to use a created production without crediting the source. Any student failing to properly credit ideas or materials taken from another has plagiarized.

Artificial Intelligence (AI) should not be used by students to engage in plagiarism, cheating, or any form of dishonesty in academic work. AI work must not be submitted in the place of student work. Google AI Checker will be used on all assignments turned in via Google Classroom.

Students who engage in academic dishonesty may receive level 2 disciplinary consequences and a zero on the assignment/assessment. Students who willingly give their academic work to a classmate to copy may receive the same consequence. Additionally, students involved in academic dishonesty may be denied honor roll for the quarter of the incident and, for those holding any elected or appointed leadership/honor positions, may forfeit any school leadership position. National Junior Honor Society (NJHS) members involved in academic dishonesty will be placed on probation and considered for dismissal from NJHS.

C. ACADEMIC ACCOMMODATIONS

At SMCS we offer the following academic services to ensure our students success: Director of Guidance, certified ESE Teacher, certified Gifted Education Teacher, Title 1 Reading and Math Program, and a licensed Speech, Language Pathologist (SLP). Our Occupational Therapy services are provided by the Elks and are free for our students. In addition, we can work with outside private services such as ABA Therapists and Occupational Therapists.

D. ELECTIVES AND SPECIAL CLASSES (MIDDLE SCHOOL)

Middle School Band, Beginner Band (5th grade), Choir (5th grade), Weightlifting, Drama, and Study Skills.

E. GRADE REPORTS

Report Cards

Report cards are issued every semester for kindergarten and quarterly (every nine weeks) for grades K-8. The nine-week grading period is in accordance with Diocesan policy. Report Card envelopes must be signed by the parent/guardian and returned to the school within one week of issuance. The last report card of the year will be mailed home if financial obligations are clear.

1. Grading Scale

<u>GRADE K5-1</u>	<u>GRADES 2-8</u>
E Excellent	A 90-100
G+ Very Good	B 80-89
G Good	C 70-79
S+ Very Satisfactory	D 60-69
S Satisfactory	F Below 60
NI Needs Improvement	
P Poor, Below Grade Level	

2. Citizenship Grades

Citizenship/conduct grades are given quarterly and are as follows:

- 1 - Above Average
- 2 - Satisfactory
- 3 - Needs Improvement
- 4 – Unsatisfactory

D & F Reports

Reports are emailed to parents whose students have a D or F in any course at the midpoint of each quarter.

Final Grades:

At the end of the year, a final average is given for each student in grades 3-8 based on the four-quarter marks. The mid-year and final exam marks are also averaged in the final grade for those students who take them. In computing the final grade, each quarter grade bears twice the weight of a semester exam.

Homework Guidelines:

The goal of homework is to provide students practice in the concepts and skills that they are learning during the school day. Homework is only assigned after a concept has been introduced.

- a) Students in grades 2-8 are required to use agenda books to record assignments.
- b) Homework assignments take into consideration individual differences and are reasonable in length.
- c) Homework will include activities completed outside the school which have a direct application to content being studied in school.
- d) Homework is evaluated; however, recording grades for every homework assignment is not necessarily required or expected.

Late Work:

- a) Assignments that are one day late may have a 10-pt. reduction.
- b) Assignments that are two days late may have a 30-pt. reduction.
- c) Assignments may not be accepted if more than two days late.
- d) Assignments not turned in may receive a grade of zero.

Absentee Work:

Parents may request short-term homework for absent students. Such requests must be made at the school office before 10:00 a.m. and then be picked up at school dismissal time in the school office. This will allow teachers an opportunity to write assignments without interrupting ongoing learning activities.

Due to Illness:

- a) When health allows, older students should monitor their teachers' Class Dojo or Google Classrooms for assignments while absent.
- b) Parents of younger students should monitor Class Dojo for updates to assignments.
- c) Students are allowed three school days to turn in missing assignments upon returning to school from an excused absence for illness. Failure to complete missed assignments may result in a reduction in grades.
- d) It is the student's responsibility to obtain assignments and turn in missing work.
- e) If a student is absent the day of an assessment but was present the day the assessment was assigned, the student will make up the assessment upon his/her return to school.

Due to Vacation and Extracurricular:

- a) Homework will be due the following day for students who miss class due to extracurricular activities (sports, etc.), and vacation absences.
- b) **Absences for extended vacation days must receive prior approval by the principal.**
- c) Students who take extended vacation days will need to monitor their teachers' Class Dojo or Google classroom for assignments as they can change.
- d) For principal-approved extended vacation days (longer than two days), students will need to confirm with their teacher when missing assignments are due, and all assessments will need to be taken immediately upon return.

F. ACHIEVEMENT TESTING

The Terra Nova Assessment:

The Terra Nova Assessment is given to the students in grades 2-8 in the spring as required by the Diocese of Pensacola-Tallahassee. The results of these tests are placed in the student's cumulative files and a copy given to the parents. These tests denote specific skills mastered by students and aid teachers in setting up individual programs for students. These tests are also used to evaluate the strengths and weaknesses of the curriculum. The Terra Nova is a nationally recognized, norm-referenced test that meets most states' annual testing requirements. It provides a series of tests that are easy to administer, stimulating to take, and most importantly extremely accurate in their assessment of student achievement. Terra Nova is a norm-referenced nationally standardized achievement test.

- a) Nationally standardized means that the test was administered to students across the country at the same time. Norms are also set for the time of year the tests are taken.
- b) A statistical sample of students is involved in the norming. This enables the test designers to establish appropriate percentile scales (norms) indicating how well students of a particular age and grade perform on the test items.
- c) Terra Nova is an achievement test, not a proficiency test such as the state administers. Proficiency tests are those in which students have been taught all the content and are now being tested on whether or not they "got" it. Achievement tests include content that students have been taught and include content students may not have been specifically taught, but that they could be expected to have mastered according to their cognitive ability.

The ARK:

The Assessment of Religious Knowledge (ARK) provides teachers of grades 2-8 with actionable information to help improve students' faith formation. It gives feedback that enables teachers to make informed decisions to improve the Catholic identity—knowledge, beliefs and behaviors—of the whole school community.

MAP Testing:

The MAP (Measures of Academic Progress) is administered three times per year in grades K-8 to provide teachers with accurate, actionable evidence to help inform instructional strategies. The MAP measures each student's academic progress or growth. By having precise measurement of student achievement, teachers and others can better monitor academic progress.

G. HONORS

An Honor Roll will be established naming those students in grades 1-8 who have demonstrated academic excellence together with consistent effort and good conduct. Honor Roll Certificates are presented during Honor Roll Assemblies for the 1st, 2nd, and 3rd Quarters.

The following criteria will be used:

Academic Excellence- All A's, including Specials (Music, P.E., Art, Computers, Library, Spanish)

Outstanding Academics: Only A's or B's in all subjects, including Specials (Music, P.E., Art, Computers, Library, Spanish)

Extra Effort – Students who work above and beyond in their studies. Grade 1 awards only Extra Effort.

Middle School Courses for High School Credit and Online Courses:

SMCS offers on-site courses for high school credit, as well as online courses through Florida Virtual School (FLVS). High School credit courses offered at SMCS are Spanish 1, Algebra 1, and Geometry (when needed). Requirements to take Spanish 1 are a B or A in 6th Grade Literature and 6th Grade English courses.

H. ALGEBRA I POLICY

The requirements to take Algebra 1 are to receive a score of a 8 on the below matrix:

ALGEBRA 1 HONORS QUALIFICATION MATRIX

SCORE	3 POINTS	2 POINTS	1 POINT
Iowa Algebra Aptitude Test	99-93% ILE	92-86% ILE	85-80% ILE
Terra Nova Math Composite	99-93% ILE	92-86% ILE	85-76% ILE
Pre-Algebra Class Final Grade	100-93	92-86	85-80
Terra Nova Science Composite	99-93% ILE	92-86% ILE	85-76% ILE
Science Class Final Grade	100-93	92-86	85-80

FLVS Courses taken in place of on-site courses must be taken on the same timeline as on-site courses. Students are expected to work on these courses during the allotted class time. FLVS exams will be taken on the same date and time as on-site exams and grades will be used to calculate student's final GPA.

I. INCOMPLETE GRADES

Incomplete grades are permitted for serious reasons, to be determined by the principal. Incomplete grades become failures if all incomplete academic work/assignments have not been satisfactorily completed by the deadline established by the Administration. No incomplete grades are permitted for the final marking period.

J. ACADEMIC PROBATION

Students who receive a GPA below a 2.0 may be put on academic probation.

K. SUMMER SCHOOL - see O. below

L. FIELD TRIPS

Field trips are recognized as an integral part of a sound educational program and provide a valuable addition to the classroom curriculum. They provide students with experiences to expand their educational and cultural horizons. Each child must have a school-issued permission slip and a medical treatment release form, signed by a parent or guardian, in order to accompany the class on a field trip. Verbal permission or handwritten note by parent will not be accepted. If special financial arrangements are needed, please see principal privately.

Field Trips are a privilege, not a right. Students can be denied participation if they fail to meet behavioral or academic requirements as determined by classroom teachers or school administration. All reasonable and prudent steps to safeguard the welfare of participating students shall be taken. Only students enrolled in Saint Mary School will be allowed to participate in class field trips. Younger or older children may not accompany adult chaperones on the class trips. Chaperones must be able to give their undivided attention to supervising class members.

When valid school bus transportation is not available and private vehicles are used, the following is required:

- Qualified volunteer drivers over 25 years of age must complete and be in compliance with all stipulations on the Volunteer Driver Information Form.
- Every student in a car must wear a seat belt or be in a booster seat and may not sit in the front seat.

Students in grades PreK-2 must be in an approved booster seat, provided by their parents. (If a student is 4'9" or taller, s/he may sit with a seat belt. That student will not be required to have a booster seat, if the seatbelt fits correctly according to American Academy of Pediatrics guidelines.

M. GRADUATION

Graduation ceremonies are held for kindergarten and 8th grade students. Graduation fees can be found on the Tuition and Fees Schedule on the school website.

N. STUDENT RECORDS

A cumulative record of each student is kept on file in the school office. The student record includes final averages for grades from each year, test results, health records, any auxiliary information provided, and school entrance information. A student's record may be transferred to another school only with the appropriate approval of the parent until such student is a legal adult. The Withdrawal School Form must be completed and submitted to the school office prior to records being sent. Parents may review their child's records by making an appointment with the principal. All financial obligations must be satisfied for the release of the report card, student records, or to access PowerSchool for viewing.

O. RETENTION POLICY

Parents are encouraged to contact their child's teacher at the FIRST SIGN of a student's difficulty in any academic subject. It is the teacher's duty and responsibility to notify parents through PowerSchool, conferences and report cards that academic problem(s) exist. Parents and teachers will work together in planning possible remedies to the problem.

Grades PreK3-1:

The faculty involved and the school administration determine retention in grades PreK3 - 1.

Grades 2-3:

If a student in grade 2 or 3 receives a D or below in Reading and/or Mathematics, she/he must receive a minimum of 16 hours of instruction per subject administered by a certified

teacher or at an accredited facility. The faculty involved and the school administration will determine retention.

Grades 4-8:

If a student in grades 4-8 fails one subject s/he must attend local public summer school if available. In the event that summer school is not available, then grades 4-8 must take the course online through Florida Virtual School. If a student fails in two or more core subjects, it is automatic retention, and the student will need to repeat the grade. If the student is retained in grade eight, she/he cannot remain at Saint Mary Catholic School.

P. EXTRACURRICULARS

To further the development of each student, Saint Mary Catholic School has a variety of extracurricular activities in which students are encouraged to participate. Any activity after school hours or one that may pull a student during academic classes is considered extracurricular.

Students must be picked up on time from sports practice. The coaches are instructed to send the students to Extended Care if the parents are not here on time. Any student who is not directly supervised by an adult must go to Extended Care.

Younger siblings may not go to sports practice with older students.

Student-athletes must wear and bring all necessary gear required for their sport. Clothing must abide by the SMCS dress code. However, athletic coaches reserve the right to require certain practices and games in order to promote team cohesiveness during seasons in which archery overlaps with another sport.

Parents who transport student athletes other than their own children MUST have a completed motor vehicle report with the Diocese as well as Diocese Safe Environment training. No exceptions. Please contact catharine.obannon@saintmaryschool.net for that information.

SMCS utilizes an app for all sports communication. Please use the designated app and not coaches' personal cell phones for all communication.

VI. COMMUNICATION

A. FERPA/PRIVACY

It is the policy of the Diocese of Pensacola-Tallahassee not to disclose information about any of our students consistent with the Family Educational Rights and Privacy Act (FERPA). This is done not only to protect privacy but to provide a safe and secure environment in which the students may learn and grow. All media requests must be referred to the Diocesan Communications Office (except for Athletics).

B. SOCIAL MEDIA

SMCS uses Facebook and Instagram to engage the community as well as post announcements about the school. No social media usage in the school name may be used without written permission from the school principal. Parents are encouraged to like and follow our school Facebook page. Only the school is permitted to create a Facebook Page which uses the school name or logo. Anyone posting negative or defamatory comments or depictions regarding the parish, school, faculty, students or parents SMCS on any social media site would be in breach of our mutual commitment to gospel-based dialogue and partnership.

C. POWERSCHOOL

The PowerSchool parent portal offers parents the ability to access and review their students' grades and attendance online. At the beginning of each school year, parents of new students are given a confidential id and password. You will need these to associate your child's information to a login and password that you will create to access the parent portal and see your child's information. Please keep them confidential to protect your child's information.

Using PowerSchool:

To log into the parent portal, click on the Parent Portal tab on the homepage of the school website or go to <https://ptdioceseschools.powerschool.com/public/>

If you have previously created a login name and password, enter them in the Username and Password boxes and click Submit. If you have not done this, click the Create Account.

Grades and Attendance:

When a category or assignment is listed in blue, you may click on it to get more information. Click on a grade to see a list of assignments and tests that make up that grade. A legend at the bottom defines special characters. Click on the number of tardy days or absences to see a list of dates that make up that total number. Click on the student's name to return to the main screen. Both an attendance summary and daily attendance to the most recent two weeks are available on this screen.

Grades History:

This screen allows you to see final grades from previous quarters.

Attendance History:

This screen allows you to view attendance for the entire quarter. A legend at the bottom of the window explains the attendance codes that are used.

E-Mail Notification:

This option allows you to elect to have a copy of your child's grades or attendance sent to you via e-mail. You can select how often these e-mails are sent.

D. PARENT COMMUNICATION

Effective communication is essential to the success of our school. Parents are encouraged to reach out to the front office or to teachers when questions or concerns arise, or to provide information concerning the welfare of students.

Flocknote Messaging:

SMCS uses a text messaging program called Flocknote to communicate important school information on a regular basis. We highly advise signing up for this service through the link on the front page of our website.

Class Dojo:

Many individual teachers use ClassDojo as a means of communicating with parents on a daily basis. Administration will often share time-sensitive information via the school Dojo account as well.

SMCS Message Newsletter:

Every Friday afternoon we send out our newsletter, the SMCS Message. The newsletter is an excellent way to be up to date on all school news and participate in school fellowship. The Message is sent via Flocknote.

Contacting Students during School Hours:

Parents picking up students, leaving messages, etc., during school hours must go through the Office. Messages for students and teachers will be delivered at a time that does not disrupt classroom activity. Please make every attempt to keep these interruptions to a minimum. It is important that the pick-up procedures/plans be made before the school day begins. We will not accept change in routine instructions for students after 2:15 p.m. unless it is an emergency.

Parents are not to enter the classroom during the school day unless they are scheduled as a volunteer and have signed in at the school office. All visitors to school must go through security procedures in the office upon entering the campus.

E. PARENT-TEACHER CONFERENCES

Communication between home and school is very important and is part of our philosophy at Saint Mary Catholic School. As such, we require parents to receive at least one report card at a parent/teacher conference. For grades 3 through 8, these conferences are held at the end of quarter 1. For PreK through grade 2, the conferences are held at the end of quarter 2.

Throughout the year, teachers and parents/guardians may request additional conferences to ensure the best possible education for each student. Please call the school office or email your child's teacher to request a conference.

If a parent has any concerns in regard to his/her child's education, they should be addressed with the teacher first and then, if necessary, with the principal.

F. PARENT-PRINCIPAL CONFERENCES

Parents and students have the opportunity to meet with the principal regarding school-related issues. An appointment can be scheduled by either emailing the principal or by contacting the school office at 850-243-8913. In cases of classroom concerns, parents are required to discuss the matter with the teacher prior to seeking a meeting with the principal.

G. PARENT/GUARDIAN RESPONSIBILITIES

At Saint Mary Catholic School, we believe that a student's education flourishes when parents and the school collaborate as partners. This partnership is founded on mutual respect and a shared dedication to a Catholic education. We promote open communication and teamwork with all families. Your unique perspective on your child's education is highly valued, and we believe that your support is crucial for their success. We recognize that differing opinions may occur. We are dedicated to addressing these differences through respectful dialogue grounded in Christian principles. Our objective is always to identify solutions that enhance your child's education. A robust partnership necessitates mutual respect and support.

We encourage families to:

- Uphold the school's philosophy and policies.
- Maintain open communication with teachers and administrators.
- Exhibit a positive and supportive attitude towards the school community.

We take any behavior that disrupts the positive learning environment we aim to cultivate very seriously. Disparaging remarks, hostility, or actions considered detrimental to the school's mission may result in a meeting to discuss the matter. As a final measure, and after all reasonable efforts to resolve the issue have been exhausted, the school reserves the right to request a student's withdrawal. We believe that this action is necessary when the partnership is compromised in a manner that obstructs a student's success or the school's capacity to provide a positive learning environment for everyone.

This policy framework offers guidance but may not cover every situation. We retain the right to interpret and implement these policies and to address unforeseen circumstances.

H. PARENTS AS PARTNERS - VOLUNTEER REQUIREMENTS

Before any parent or adult volunteers to work in the school or to be a chaperone, he/she must meet requirements as set forth by the Diocese of Pensacola-Tallahassee. Volunteers and Parents are strongly encouraged to complete the requirements early in the year to allow time for processing.

The cost to initiate the volunteer process is currently \$65 and is good for five years. A packet of information is available in the school office.

All volunteers must

- Complete the on-line Safe Environment Education Program through Praesidium Academy. The required courses are Meet Sam, Policies, and Abuse Risk Management for Volunteers. Volunteer coaches must also complete the Athlete Protection 1 & 2, and Bloodborne Pathogens courses,
- Complete a Level-2 Background Check, which includes fingerprinting.
- Dress appropriately when volunteering for any reason.
- Abide by confidentiality guidelines set forth by SMCS and the diocese.

In addition, if you will be driving on behalf of the school or Diocese a Motor Vehicle Report (MVR) will be requested and the volunteer driver must be approved. Individuals must meet all volunteer requirements including:

- Completing and submitting the Volunteer Driver Information Form.
- Submitting a legible copy of Driver's License and a Certificate of Insurance / Verification of Coverage from insurance provider (usually declarations page).
- Must be at least 21 years old.
- Must be a Florida licensed driver.
- Must have three years of clean driving record history or less than six points on their license within the last year.
- Must have \$100,000/\$300,000 car insurance liability.
- Completing a Level-2 Criminal Background Check, which includes fingerprinting.
- Completing the on-line Safe Environment Education Program noted above.
- Must not have any medical condition or be taking any medications that would impair ability to operate a motor vehicle.

Once approved by MVR, the driver is eligible for two years.

I. GRIEVANCE PROCEDURES

Concerns should be handled at the appropriate level. Persons with concerns about a teacher should first attempt to address the concern with the teacher. Only then should school administration be contacted. Appointments may be made directly with the teacher by e-mail, or a phone call to the office. In middle school, unless you wish to speak with only one teacher, it is better to let the homeroom teacher coordinate this for you.

Morning (7:15 a.m.) or after school (3:10 p.m.) are usually the best times to schedule conferences. Sometimes a telephone call is sufficient to solve the problem.

J. PARENT GROUPS

Parents are encouraged to participate in our PTO. Meetings are held monthly, and information about upcoming events can be found in the Friday Newsletter and on the PTO Facebook page.

K. TELEPHONE

Students will use the office telephone for emergency purposes only. Items left at home such as books, homework, lunches, band instruments, or physical education uniforms/equipment or extracurricular items are not considered emergencies.

Additionally, phone calls to arrange after-school activities are not allowed; these arrangements should be made prior to the beginning of the school day.

L. ANNOUNCEMENTS AND MESSAGES

Announcements and messages are most often sent via Flocknote. It is imperative that parents sign up for and receive Flocknote messages in order to be up-to-date on the latest happenings at SMCS. We also encourage all families to be on ClassDojo (especially elementary families), as teachers use this as a primary way of communicating with parents about classroom activities.

M. EMERGENCY CLOSURES

Inclement weather or other emergency decisions for the Catholic schools will be disseminated to the schools from the Office for Catholic Schools by county with input from the local Catholic schools. Any changes to the schedule will be communicated via Flocknote, Class Dojo, social media, and email. Our primary concern when making these decisions is always and foremost the safety of all students.

VII. DISCIPLINE

A. CODE OF CONDUCT

As a Christ-centered community, we believe that a life of virtue is essential for spiritual growth and eternal happiness. Students grow closer to Christ by imitating His life and virtues in their daily lives. By living virtuous life, we unite ourselves to God's will. It is our goal at SMCS to help our students live a life of authentic Truth by following a code of conduct that is focused on the virtues.

The philosophy of our Code of Conduct is rooted in teaching and forming kids to think, speak, and act properly in accordance with the Catholic faith we profess. Students are with us for a fixed period of time and while they are here it is our goal to form in them habits of right living so that when they leave SMCS, they will conduct themselves in a manner consistent with the way they were taught and formed. To that end, our expectations are the following:

- demonstrate an eagerness to learn, fully participate, and be a part of the SMCS community
- exhibit virtuous behavior and speech at all times

- demonstrate courtesy, respect, and hospitality for school employees, students, and visitors
- show respect and stewardship for all school, parish, and personal property
- be diligent in obeying all classroom, cafeteria, church, bus, playground, and hallway behavior policies and procedures
- demonstrate academic honesty and studiousness at all times
- behave in a manner that allows learning to take place without interruption
- communicate their thoughts and engage with differing points of view while respecting the rights of others
- respect the personal space of others by not engaging in physical displays of affection, horseplay, or acts of aggression
- adhere to the uniform policy and wear the uniform correctly at all times
- recognize that they represent SMCS at all times, whether on or off campus

B. CAMPUS RULES - NEW

Students must adhere to all rules established by administrators, teachers, cafeteria staff, bus drivers, and other authority figures. Students who fail to meet expectations for maintaining an atmosphere of academic excellence will undergo a process that identifies and communicates unmet expectations. The school will collaborate with parents to develop a behavior improvement plan. If no progress is made, the student may be placed on probation to remain enrolled at Saint Mary Catholic School.

C. LEVELS OF OFFENSES

At Saint Mary Catholic School, our goal is to provide a positive, caring learning environment where students can reach their full potential. Students and parents are provided a list of specific classroom procedures and expectations at the beginning of each year. Each teacher has his/her own classroom management system. Please be aware that any one list of rules is not all-inclusive but serves as a general guide. It is our intention to work together to ensure that each student progresses. As part of this partnership, the school requests that parents discuss classroom expectations and procedures at home.

Classroom Discipline:

Each teacher develops a discipline plan that is implemented prior to sending a student to the office. Teachers send a discipline plan home to parents/guardians at the beginning of each school year. A Disciplinary Report (DR) is sent home for conduct violations in all grades. These reports must be signed by a parent/guardian and the student and returned to the issuing teacher the next school day. Failure to return the DR or to bring a note from home results in an automatic Detention. When a student's behavior fails to be corrected in the classroom, the teacher will conference with the parent.

1. Level One Offenses

Minor offenses that include but are not limited to:

- Failure to bring materials to class
- Excessive talking in class
- Uniform/hair/makeup violations
- Tardiness to class
- Issues of mild disrespect

Level one offenses are cumulative for each semester.

2. Level Two Offenses

More serious offenses that include but are not limited to:

- Foul and/or abusive language
- Destruction of school property (reimbursement is required)
- Fighting
- Defiance
- Dishonesty
- Misuse of computer privileges or mistreatment of laptop

Level two offenses are cumulative for the entire year.

3. Level Three Offenses

Extreme offenses that include but are not limited to:

- Serious and/or repeated disrespect to persons in authority (faculty, staff, volunteers) or other students
- Disruptive, immoral, or indecent behavior
- Any actions dealing with tobacco, drugs, alcohol, or weapons
- Harassment/sexual harassment
- Bullying
- Inappropriate use of computer privileges
- Any other infractions deemed serious by the principal

Level three offenses can result in automatic expulsion.

In the event of serious misconduct, the administration will notify parents/guardians in writing on the Principal's Discipline Report (PDR). A copy is sent home outlining the disciplinary consequence. PDR forms must be signed and returned the next day to the teacher/administrator who sent home the report. Serious offenses include, but are not limited to:

- Violations of the accepted code of conduct
- Jeopardizing the safety of anyone
- Seriously impeding the learning of others
- Serious insubordination
- Bullying or other harassment

D. CONSEQUENCES

Detention

Lunch/Recess detentions may be assigned by administration. Before or after-school detention will be scheduled administration for the duration of 1 hour. Teachers and the assistant principal will supervise detentions on a rotating schedule. A student in any detention setting will not be allowed to do homework, study, or sleep.

Failure to arrive on time will be considered a level two offense. Detention may be assigned for the following offenses:

- Three level one offenses accumulated during any semester.
- One level two or level three offense

- Failure to return a discipline report
- Any infraction deemed detention-worthy by the principal or assistant principal

Teachers, as well as administrators, may assign detention. Parents are notified by the person assigning the detention.

Suspension

This is a serious disciplinary measure and is used only after other actions have not succeeded in correcting the problem. Students may be assigned either in-school or out-of-school suspensions depending on the level of severity of the behavior. Parents or guardians are notified by telephone of the suspension and are requested to come to the school for the student unless the suspension is in-school. All concerned parties will meet to discuss the problem and seek a solution.

Suspension may be assigned for the following offenses:

- *Three detentions accumulated during the school year
- *Any level two or level three infraction deemed suspension-worthy by the principal

During In-School Suspension (ISS), the student is in isolation at school and completes the work of the day.

Out-of-School Suspension (OSS) results in the student remaining home. He/she may or may not be able to complete work for credit.

Suspensions are cumulative for the entire school year. Any student with two suspensions on their record at the end of the school year will be placed on probation for the first semester of the following school year.

Probation

If a student does not meet the school's expectations to maintain a positive learning environment, they may be placed on academic or disciplinary probation. This is a period when a student must demonstrate good behavior and a willingness to cooperate with other students and the school's staff. Continued academic or behavioral struggles may result in further disciplinary action, including potential dismissal.

Expulsion

This is a disciplinary measure used only when incorrigible behavior or conduct threatens the physical or moral welfare of other students or seriously affects the learning process. A parent conference is imperative when such a problem is discovered. The principal, with the approval of the pastor, may expel a student for a grave reason. The Superintendent of Schools is made aware of such problems prior to the parent conference and expulsion.

- *Three suspensions are grounds for expulsion
- *Any level three offense may result in an automatic expulsion regardless of prior behavioral record.

In the event of a serious disciplinary issue, the principal will convene a Disciplinary Action Committee to discern the best course of action.

VIII. UNIFORMS

IX. HEALTH SERVICES

Saint Mary Catholic School encourages student health and fitness to promote a safe and healthy school environment. All students enrolled in Saint Mary Catholic School must have a Florida Physical Examination on file with the school and a Florida Certificate of Immunization for polio, measles, DPT, hepatitis, mumps, and rubella. Enrollment is not possible unless both are on file.

A. MEDICATION GUIDELINES

Should it be necessary for a child to receive prescription or non-prescription medicines during the school day, the following regulations shall apply:

- A written consent form signed by the parent or legal guardian must be in the office before any medication can be dispensed, non-prescription and/or prescription. Verbal permission will not be accepted.
- Prescription medication must be in the original container and have the pharmacy label indicating the physician's name, child's name, and strength of the medication.
- Medication shall be given to the child listed on the label only and will be given in accordance with the label instructions.
- The only non-prescription medications that can be dispensed are Tylenol (acetaminophen), Motrin (Ibuprofen) and Benadryl and must have a signed medical form on file.
- The dosage for non-prescription medicine shall not exceed the label instructions, unless prescribed by a physician, for the particular age of the child.
- No child will be allowed to take medicine without supervision.
- Children will not be allowed to have in their possession ANY medications. Rescue medications such as inhalers for asthma, EpiPens for severe allergies, and glucose medication for Type 1 diabetics as prescribed by a physician will be kept in an emergency bag that will travel with the child's class for ease of access in the event the child is in acute need.
- Parents will need to provide the prescription medication to be left at school. Medication will not travel back and forth from school to home with the child. Parent must put the request for this into writing accompanied by a doctor's note illustrating the need.
- The parent must supply all medication. All medication left in the school office at the end of the school year will be destroyed.
- It is the parent's responsibility to apprise the teacher and office personnel of any medication a child is taking.

NOTE: According to Diocesan and County policy, the school will not dispense prescription medication unless the signed authorization to dispense prescription medication form is on file in the school office. These forms are available from the Office Manager at the office.

B. INDIVIDUAL MEDICAL PLANS

Medication

No medication of any kind will be dispensed at school, or at a school-sponsored event, without written permission from the parent or guardian.

C. MEDICAL EMERGENCIES

Parents are called for all medical emergencies and are encouraged to take the child to a doctor or hospital for immediate help. If necessary, emergency personnel (911) are called before parents are notified. If a child is injured, parents will be notified according to the numbers listed on the Emergency Cards kept on file in the office. It is essential that contact information is kept current in the office.

D. CLINIC

Students may not possess any medication, including over-the-counter (OTC) medications, while on campus. All medications to be administered during the school day must be delivered by a parent or guardian to the front office, and a completed Medication Dispersion Form must be on file for office staff to dispense medication.

E. ALLERGIES

Parents must notify the school of any severe allergies that could potentially affect a student's health and/or safety while at school or school-sponsored events.

Parents of students with diagnosed, severe food allergies must notify the school upon registration (or diagnosis) that their child is on a restricted diet. They must also provide food for their children while at school. This includes snack, lunch, extended care snacks and a supply of treats to be used for special occasions such as holiday celebrations. The school will not provide any food to children with diagnosed severe food allergies which require a specific diet, including but not limited to: peanut, tree nut, dairy, wheat, gluten, soy and fish allergies.

F. LICE POLICY

SMCS has a "no nit" policy. Any student found with head lice or nits will be sent home and may return to school only after being rechecked and found to be free of lice and nits.

If notified of a lice case, parents of students in the infested student's classroom and the student's sibling(s) should be examined in a private setting for evidence of either the lice or lice eggs (nits). In the event that one-third (1/3) of the students in a classroom are identified with active cases of head lice, the Principal/Nurse shall send home notification to the parents in the affected class.

G. ILLNESS AND INJURY

Students complaining of minor ailments with no fever are allowed to rest in the classroom. Students are not allowed to "rest" in the office. If a student is not well enough to remain in the

classroom, the parents are called to pick up the student. Minor scrapes are handled in the classroom. All classrooms have a first aid kit.

Parents/guardians are contacted immediately for information and instructions in case of serious illness or accidents. If the parents/guardians are not available, the Emergency Form is consulted for directions. If no responsible person can be reached, and an illness or injury is serious enough to require medical attention, the administrator in charge will arrange for the student to receive appropriate emergency or hospital care.

H. ACCIDENTS

In cases of minor abrasions, the injury will be washed with soap and water. For other minor injuries, ice may be applied. In cases of more serious mishaps, children will be taken to the office and parents will be notified. School law prohibits the use of first aid equipment and medicine given orally.

I. ACCIDENT INSURANCE

The Diocese of Pensacola-Tallahassee provides accident coverage to school students while they are in school or participating in school sponsored events, including sports. Payments are made on an excess basis, which means the parents first file the medical expense claim with their insurer, and then the diocesan policy can provide payment for the deductible or co-pay. If the family does not have medical insurance, the diocesan policy will reimburse the medical expenses (on a primary basis) subject to the terms and conditions of the coverage.

J. SICK POLICY

If children are sick, they should stay home. To minimize the spread of illness, we ask that you abide by the following school policy when deciding whether or not to send your children to school.

Please keep your child home if he/she has ANY of the following symptoms:

A physician's note is REQUIRED before your child may return to school after being diagnosed with a contagious disease.

K. DIRECTOR OF GUIDANCE

Our full-time, Director of Guidance plays a key role by:

- Facilitating communication
- Coordinating support services
- Assisting with administration of standardized testing
- Promoting well-being: Leading safe-environment courses and addressing students' social, emotional, and general well-being needs
- Providing individual and group support as well as peer mediation

L. HEALTH SCREENING

School health screenings can be an excellent way to detect problems that interfere with students' education. The hearing and vision tests are important because difficulties with these senses are often subtle, and parents, teachers, and children may not even recognize that a problem exists. Growth and Developmental screenings give parents vital information regarding their child's height and weight and whether there may be cause for concern for associated health conditions.

The purpose of the screening for scoliosis in sixth grade is to detect signs of spinal curvature at the earliest stages so that the need for treatment can be determined.

- (1) Vision screening shall be provided to students in Grades Kindergarten, 1, 3, and 6.
- (2) Hearing screening shall be provided to students in Grades Kindergarten, 1, and 6.
- (3) Growth and development screening shall be provided to students in Grades 1, 3 and 6.
- (4) Scoliosis screening shall be provided to students in Grade 6.

In accordance with Florida Administrative Code 64F-6.003, the school is required to inform parents in writing that their children will be receiving screening services. Parents may opt-out of these health screenings on a yearly basis. Screening permission forms will be sent home with your children during the school year.

X. SCHOOL SAFETY

Saint Mary Catholic School takes precautions to ensure the safety of the students, both on school grounds and within the immediate vicinity of the school campus.

A. SEARCH AND SEIZURE

In order to preserve the safety and well-being of all students in the school Saint Mary Catholic School reserves the right to search any items brought onto school property, including electronic devices. SMCS is not responsible for loss or damage to any items brought to school by a student. This includes, but is not limited to, all electronic devices. No student may sell any items to classmates in school.

Middle school students are assigned lockers. Lockers are subject to inspection by teachers for neatness at any time. Students are never permitted to switch their assigned locker, to open another student's locker, or to use unassigned lockers. The administration has the right and authority to search lockers in order to insure the safety and security of all its students.

B. CUSTODY ISSUES

In the absence of a court order to the contrary, Saint Mary Catholic School school will provide the non-custodial parent with access to academic records and other school information regarding his or her child. If there is a court order specifying that there is to be no information given, it is the custodial parent's responsibility to provide the school with a court-certified copy of the court order."

SMCS, in accordance with Florida Statute 61.13(3), will make school records and in-person conferences available to both parents unless a court order specifically revokes this right, in which case it is the responsibility of the custodial parent to provide the court order to the school. It is the parents' responsibility to inform the school of the addresses where the student's records should be sent.

C. COOPERATION WITH LEGAL AUTHORITIES

It is the practice of the school to cooperate with any local, state, or federal investigators or law enforcement officers that contact the school in the course of any criminal investigation, including cases of possible child abuse. The school may only notify the parents of the investigation with permission of the investigating authorities. The school will ask to have a representative present during an interview with the students, unless this is not permitted by the investigators, which is often the case in these types of investigations. The first obligation of the school is protection of the student.

D. SAFE ENVIRONMENT PROGRAM

The Diocese of Pensacola/Tallahassee uses the Circle of Grace curriculum for grades K-8. It is a children's safety curriculum created by the Archdiocese of Omaha. It serves the dual purpose of

prevention/safety education and informing children and youth about the value of positive relationships with God and others.

The Director of Guidance uses the Circle of Grace curriculum to teach students to identify and maintain appropriate physical, emotional, spiritual and sexual boundaries; recognize when boundary violations are about to occur; and demonstrate how to act when boundaries are threatened or violated. Circle of Grace is clinically sound and grounded in the Catholic tradition.

Parents may choose to opt out of these classes if they are not comfortable with the Circle of Grace Program and desire to teach their children about these matters themselves.

Parents will receive a letter and opt out form before the Circle of Grace program is presented.

E. ANIMALS ON CAMPUS

Per Diocese of Pensacola-Tallahassee Operations Policy 312- With the exception of certified service animals, pets are not permitted on School Property.

F. EMERGENCY CRISIS PLAN (Include drills, emergency school closings)

1. Safety Drills

Students will be asked to practice emergency procedures in the event of fire, tornado, lockdown (intruder), etc. Teachers will review the procedures and inform the students exactly what they are to do in that situation. The school will then have scheduled drills to ensure a timely response can be made to emergency situations. Specific directions are given at the beginning of the school year and are posted in appropriate places. Silence is to be observed throughout the entire drill - in the classroom, halls, and on school grounds.

2. Emergency Closing

Inclement weather or other emergency decisions for the Catholic schools will be disseminated to the schools from the Office for Catholic Schools by county with input from the local Catholic schools. Any changes to the schedule will be communicated via Flocknote, Class Dojo, social media, and email. Our primary concern when making these decisions is always and foremost the safety of all students.

G. SUSPECTED CHILD ABUSE

State law requires designated persons in a supervisory role, having reason to believe that a child under the age of eighteen years has had physical injury or injuries inflicted upon him or her by other than accidental means, where the injury appears to have been caused as a result of physical or sexual abuse or neglect by an adult, must report the matter promptly to the Department of Children and Families in the county where the suspect injury occurred. Parents need not be notified of such a report.

H. WEAPONS

Students are prohibited from bringing weapons or look-alikes to school and school-sponsored activities or having weapons in school or at school-sponsored activities, on the school premises, or in the immediate vicinity of the school. State law requires the reporting of possession of a "dangerous weapon" to the local law enforcement agency. "Dangerous weapon" includes a firearm, dagger, dirk, stiletto, and any knife with a blade over 3 inches long, pocketknife opened by mechanical device, iron bar, or brass knuckles.

1. Definitions

- A weapon is any object which can be used to threaten or injure another. It includes but is not limited to “dangerous weapon” as defined by the State law.
- School premises include the school building and the adjacent grounds, including but not limited to parking lot, playground, parish office and rectory grounds as well as SMCS buses.
- Immediate vicinity of the school means a one-block radius of the school. Any student discovered to be, or suspected of, carrying, possessing, concealing, or transferring a weapon on school premises or in the immediate vicinity of the school shall be immediately excluded from classes pending investigation.

2. Search and Detainment

A search can be conducted to verify the suspicion or clarify the discovery. It may include, without prior warning, an inspection and search of a student's person, pockets (the student empties his/her own pockets), book bags, purse, locker, cubby, lunch bag, automobile, etc. Questioning of the same purpose may include questioning by the principal, a member of the administrative team, a teacher, the pastor, or a person acting in the place of any of these. When a body search is conducted, it shall be in the principal's or pastor's office or other appropriate place. A person of the same sex will conduct the search of the student. If a student refuses to cooperate or interferes with a search of a person or possessions or premises, she/he will be warned that refusal to cooperate without legitimate reason will result in disciplinary action, up to and including expulsion from school. Depending on the nature of the weapon, the local police department shall be notified immediately.

If possible, a student will be detained whenever the school has reason to suspect a student may have a weapon or when a weapon is present on school premises. Any student found to be in violation of the school's weapons policy is subject to disciplinary action up to and including expulsion. The principal may exercise the option to both keep non-school persons out of the school and/or retain students in the school until police have completed their investigation. Any student determined to have brought a firearm to school will be expelled. The term "firearm" means:

- any weapon including a starter gun which will or is designed to or may readily be converted to expel a projectile by the action of an explosive;
- the frame or receiver of any such weapons;
- any firearm muffler or firearm silencer; or
- any destructive device.

I. ASBESTOS

The Asbestos Hazard Emergency Response Act (AHERA) of 1986 requires that all schools be inspected to determine if there are any building materials that contain asbestos. Saint Mary Catholic School has complied with AHERA by completing the following requirements:

- Inspecting all facilities for both friable and non-friable asbestos-containing building materials.
- Samples taken during the inspections of all materials suspected of containing asbestos, and the samples were analyzed at an EPA-accredited laboratory.

- A Management Plan based upon the inspection report and laboratory findings, outlining the administration's intent in controlling and abating any asbestos-containing building materials.
- The inspection results are available for review in the administrative office. The Management Plan, maintenance and custodial actions required by the plan, and training of personnel are all dedicated toward a serious and careful effort to always ensure that any potential health hazard from asbestos is eliminated. Students, faculty and employees have, and will continue to have, a safe environment in which to learn, teach, and work.

Bikes will be walked on and off the school grounds. The school is not responsible for bicycles damaged or stolen on school grounds.

XI. ATTENDANCE

DAILY SCHEDULE

Schedule	Times
Teachers in classrooms, doors open for students; gates open	7:40 a.m.
Gates close	7:55 a.m.
Class begins	8:00 a.m.
Dismissal for bus students	2:55 p.m.
Dismissal window	2:55p.m. - 3:00 p.m.

A. ABSENCE AND TARDY GUIDELINES

Regular school attendance is a necessary part of a student's education, and it is closely related to student learning and academic success. Excessive absences impair a student's educational progress and may, at the principal's discretion, impact whether the student passes or fails a grade.

Extended absences other than illness must be approved in advance by the principal. Students missing school for vacations or trips of any kind are approved only with advance permission. Students are required to obtain assignments that are missed in advance and turn the work in the day they return.

B. EXCUSED AND UNEXCUSED ABSENCES

Excused Absences:

Excused absences are those for which the student is granted the privilege of making up the work that was missed while out of the classroom and for which the school has been properly informed by the parent by telephone and/or in writing.

"Excused" absences include:

- Sickness or injury
- Medical or dental appointments of an emergency nature
- Serious emergencies (death in the family, serious illness, or some unpredictable event which makes it necessary for the student to remain home)
- Approved family travel
- Authorized school-sponsored trips or activities

Unexcused Absences:

An unexcused absence is one for which the student may not be allowed to receive credit for the work missed. The student may receive a zero for all missed tests and assignments during an unexcused absence.

If the student does not present a written excuse from the parent or guardian within three school days after his/her return, the absence will be considered "unexcused."

C. EXCESSIVE ABSENCES

Any student who has not been in attendance for instruction for a minimum of 90% of the class each semester may not pass the subject unless the student demonstrates mastery of the student performance standards by passing a comprehensive final exam in the course. This will go into effect after 10 days absent in any semester.

D. TARDINESS

It is important for students to arrive on time each day in order not to disrupt the beginning of the school day and also be present for important announcements. School begins promptly at 8:00 a.m. To fully benefit from the instructional program, students are expected to attend school regularly, be on time for classes, and satisfy all course requirements. Poor attendance or excessive tardiness may result in low or failing grades.

Students who are not in their homeroom by the 8:00 a.m. bell must check in the office for a tardy pass. Signing in does not automatically excuse the tardy. Tardiness is excused only if it is a result of serious or unavoidable circumstances. Excessive tardiness will result in disciplinary action.

If a student arrives tardy more than 2 hours late (10:00 a.m.) or leaves school more than 2 hours early (1:00 p.m.), the student will be counted as ½ day absent.

E. EARLY CHECKOUT

There will be no dismissals after 2:30 p.m. except for medical appointments with a doctor's note. This is both an instructional and safety issue. Early dismissals disrupt the class routine for the whole class and it is a safety and security issue during carpool.

Appointments for the doctor and dentist should be scheduled after school. In the event a student must leave school during the day, a note must be given to the teacher at the beginning of the day. A student will not be dismissed from class before the parent arrives. If a student checks out early, they are responsible for the next day's homework and any class work missed. The student is responsible for acquiring the assignments.

F. ILLNESS

Students who are ill, especially those with fever or other serious ailments, should not attend school. Students should be fever-free without medication, clear of vomit and/or diarrhea without medication, and free from other serious ailments for 24 hours before returning to school. In order for student's absence to be considered Excused, student must return with a doctor's note. A doctor's statement permitting the student to return to school is required for any contagious disease.

G. MAKING UP WORK

Parents may request short-term homework for absent students. Such requests must be made at the school office before 10:00 a.m. and then be picked up at school dismissal time in the school office. This will allow teachers an opportunity to write assignments without interrupting ongoing learning activities.

Due to Illness:

- When health allows, older students should monitor their teachers' Class Dojo or Google Classrooms for assignments while absent.
- Parents of younger students should monitor Class Dojo for updates to assignments.
- Students are allowed three school days to turn in missing assignments upon returning to school from an excused absence for illness. Failure to complete missed assignments may result in a reduction in grades.
- It is the student's responsibility to obtain assignments and turn in missing work.
- If a student is absent the day of an assessment but was present the day the assessment was assigned, the student will make up the assessment upon his/her return to school.

H. OTHER ATTENDANCE MEASURES

Students may not check into school after 1:00 p.m. unless they have been checked out earlier the same day and are returning to school from an excused appointment. Please provide doctor's note.

INDOOR/RAINY DAY DISMISSAL PROCEDURES:

Indoor/rainy day dismissals for grades PK3 - 5 will take place in the classrooms. Families with more than one student in grades PK3- 5 should pick up all family members or carpool riders in the classroom of the youngest student. This will be the procedure on any days when indoor dismissal is necessary.

Beginning the FIRST DAY of school, families who utilize the middle school carline will always pick up students in carline, unless weather conditions are severe enough to require indoor dismissal. In such cases, these students will follow the same procedure as grades K3 - 5.

ALTERNATE TRANSPORTATION:

Students who will be using transportation other than their normal plan must provide a note from home and must be given to the Office. Any transportation changes the day of must be called into the school office by 2:00 p.m. Teachers are busy and might not see an email correspondence. Do not leave messages regarding changes to transportation on the school voicemail.

B. TRANSPORTATION/BUS POLICY

Safety is our primary concern on our school buses. The safety rules apply to all students. The bus adheres to a strict schedule and does not wait for late students. The bus stops at scheduled stops only. Drivers will not make unscheduled stops. This is for the safety of our children and ensures the bus is on time.

In accordance with Saint Mary School regulations, the following guidelines have been set forth to ensure that all students and parents/guardians are aware of what is expected of students and parents who utilize the SMCS bus system. These guidelines are in place to ensure the safety of all riders.

- Students who ride the bus will be ready for departure at the last bell. Buses will leave the grounds at 3:00 p.m.
- Students may not get off the bus once they board the bus.
- Except for ordinary conversation, students shall observe quiet conduct on the bus.

The school bus driver is in complete charge of the bus and students. In addition, if parents/guardians are repeatedly late meeting the bus at the designated stop, riding privileges for the student(s) may be revoked.

D. LUNCH/CAFETERIA POLICY

Saint Mary Catholic School is a participant in the USDA Federal Lunch/Breakfast Program. Hot and nutritionally balanced meals are prepared daily. On most days, there is more than one selection in each of the categories offered. Students in PK3-grade 1 will have their trays prepared with 4 lunch items by the cafeteria staff.

Lunch costs \$3.50 for students at all grade levels. The non-student (adult) meal cost is \$4.50. A la carte items & extra entrees will cost \$1.75. Students who bring a sack lunch may purchase milk or juice for 75¢.

It is a parental responsibility to provide for a child's lunch. Students can charge meals if they forget their lunch or lunch money; however, charging should not be considered a normal procedure. Students may not charge for extra servings.

Lunches may not be dropped off or brought into school by parents once the school day has started. Students will purchase or charge a lunch from the cafeteria if they are without a lunch from home.

Canned, energy, or carbonated drinks are not allowed.
