EXTENDED CARE RULES: SMCS Student Handbook rules apply to the Extended Care Program.

1. Cell phones must remain turned off and in your student's backpack unless specific permission for use is given by program staff and used in the presence of that staff member.
2. Please leave all electronics at home. We are not responsible for any lost, damaged, or stolen items. Any electronics brought in will be collected and returned to the parent/guardian. The only exception is for middle school-issued laptops, which can be used during homework time only.
3. When students are on the playground, they must stay within the fenced area. Students will be in the cafeteria if the weather does not allow outside activities.
4. Students must have the permission of the staff to exit or re-enter the cafeteria so that staff know where students are at all times.
5. All students will be expected to respect the staff and each other as well as the materials and environment provided. Student offenses will be handled on an individual basis.

Children who cannot follow the rules of the Extended Care Program will be removed from the program.
